Safety Warnings

- Read all the instructions carefully before using the unit and keep them for future reference.
- Retain the manual. If you pass the unit onto a third party, make sure to include this manual.
- Do not disassemble the keyboard or remove any parts.
- Do not immerse the keyboard in water or any liquid.
- Do not use the keyboard close to heat sources or expose to high temperatures.
- Do not use the keyboard where strong electromagnetic waves are present. Strong electromagnetic waves will cause damage to the keyboard.
- Keep the keyboard away from direct sunlight, moisture, dirt or abrasive chemical products (cleaning products etc).

Never point the optical sensor towards the face, particularly the eyes, to avoid possible injury.

- While the mouse is functioning, the optical light is visible to the naked eye. Avoid looking directly into the emitter hole while the mouse is active.
- Your product complies with CE rules.
- This product has no serviceable parts. Use of controls or adjustments of procedures other than the Instruction Manual may result in danger.

Thank you for purchasing your new product.

We recommend that you spend some time reading this instruction manual in order that you fully understand all the operational features it offers. You will also find some hints and tips to help you resolve any issues.

Read all the safety instructions carefully before use and keep this instruction manual for future reference.

Unpacking
