ADXCOM223 Gaming Keyboard and Mouse Combo

Safety Warnings

Never point the optical sensor toward the face, particularly the eyes, to avoid possible injury. Thank you for purchasing your new product. We recommend that you spend some time reading this instruction manual in order that you fully understand all the operational features it offers. You will also find some hints and tips to help you resolve any issues. Read all the safety instructions carefully before use and keep this instruction manual for future reference.

Unpacking

Ensure that all items listed on the box are included in the package upon receipt.

System Requirements

- Windows 7 or later versions
- Available USB port

Product Overview

The Firebundle Core 23 Gaming Keyboard and Mouse Combo is designed to enhance the gaming experience with its ergonomic design and customizable features. The keyboard includes function keys, number lock, and keys lock indicator while the mouse includes a DPI button for adjusting resolution settings.

Keyboard

The keyboard includes:

- Function keys
- Caps lock indicator
- Number lock
- Keys lock indicator
- Volume control knob

The keyboard also includes shortcut function keys that can be accessed by pressing the Fn Key and the desired key together. These functions may vary depending on the operating system.

Mouse

The mouse includes:

- Right Button
- Scroll Wheel
- Left Button
- DPI Button

The DPI button can be used to adjust the resolution settings. The related color will light up for 2 seconds to indicate the selected resolution.

Hints and Tips

Refer to the user manual for troubleshooting and additional features.
