### ENJBRICK ENJBRICK TV

# ENJBRICK Retro TV Building Set Instruction Manual

Model: ENJBRICK TV (1013)

## 1. Product Overview

The ENJBRICK Retro TV Building Set is a 1212-piece construction toy designed for both kids and adults. This unique set allows you to build a vintage-style television that functions as a phone stand magnifier and features an interactive internal diorama with fighting spaceships. The set is crafted from durable, light, and safe ABS plastic, ensuring a smooth building experience.

Key features include:

- **Buildable Retro TV:** A 1212-piece set that forms a retro TV with a functional phone stand magnifier.
- **Interactive Diorama:** Features a handle-operated switch that moves internal fighting spaceship models.
- **Phone Screen Magnifier:** The TV screen acts as a magnifier for your smartphone, reducing eye strain when watching videos.
- **Quality Materials:** Made from ABS plastic with smooth edges, ensuring durability and safety.

## 2. Setup and Assembly

Before beginning assembly, ensure all 1212 pieces are present and organized. Refer to the included instruction booklet for detailed step-by-step guidance. The building process is designed to be straightforward, but attention to detail is crucial for proper functionality.

## 3. Operating Instructions

The ENJBRICK Retro TV Building Set offers two primary interactive functions: the internal spaceship diorama and the phone screen magnifier.

### 3.1. Interactive Spaceship Diorama

Once the internal mechanism is fully assembled, you can activate the fighting spaceship scene using the handle-operated switch located on the front of the TV. Turning this handle will cause the internal wing fighter and other elements to move, simulating a chase.

### 3.2. Phone Stand Magnifier

The retro TV can be used as a phone stand with a built-in screen magnifier. This feature helps reduce eye strain when viewing content on your smartphone.

1. Open the back panel of the TV.
2. Place your smartphone into the designated slot at the back of the TV, ensuring the screen faces forward.
3. Position the magnifying screen in front of your phone's display.
4. Close the back panel.

## 4. Maintenance

To ensure the longevity and optimal appearance of your ENJBRICK Retro TV Building Set, follow these simple maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to gently wipe away dust. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the set with care to avoid accidental disassembly or damage to delicate parts.

## 5. Troubleshooting

If you encounter any issues with your ENJBRICK Retro TV Building Set, consider the following common solutions:

- **Loose Connections:** If parts feel loose or detach easily, re-examine the assembly steps in the manual to ensure all blocks are securely interlocked.
- **Mechanism Not Moving:** If the handle-operated spaceship mechanism does not move smoothly, check for any misaligned gears or obstructions within the internal structure. Ensure all connecting pieces are correctly positioned.
- **Missing Pieces:** In the rare event of missing pieces, please contact customer support with details of the missing components.
