4. Maintenance

Proper care will ensure the longevity and appearance of your Tribesigns desk.

- **Cleaning:** Wipe the desk surfaces with a dry, soft cloth. For stubborn marks, a slightly damp cloth can be used, followed immediately by a dry cloth. Avoid abrasive cleaners or harsh chemicals, as they can damage the finish.
- **Protection:** Avoid placing hot items directly on the desktop. Use coasters for drinks.

- **Prevent Scratches:** Avoid using sharp objects directly on the desk surface. Use desk mats or pads under keyboards, mice, and other items that may cause scratches.
- **Hardware Check:** Periodically check all screws and bolts to ensure they are tight. Re-tighten if necessary to maintain stability.

5. Troubleshooting

If you encounter any issues with your desk, please refer to the following common solutions:

- **Desk Wobbles:** Ensure all assembly screws are fully tightened. Adjust the leveling foot pads on each leg until the desk is stable on the floor.
- **Missing Parts:** If any parts are missing or damaged upon arrival, do not proceed with assembly. Contact customer support immediately for assistance.
- **Difficulty Assembling:** Review the assembly instructions carefully. Ensure you are using the correct hardware for each step. If issues persist, consider seeking assistance from another person.
- **Surface Damage:** For minor scratches, furniture repair kits may be used. For significant damage, contact customer support.
