Raybee 4D5H-06

Raybee Heavy Duty Clothes Rack with Shelves (Model 4D5H-06)

Instruction Manual

Brand: Raybee | Model: 4D5H-06

Introduction

Thank you for choosing the Raybee Heavy Duty Clothes Rack with Shelves. This versatile and robust storage solution is designed to help organize your clothing and accessories efficiently. With its adjustable design and high load capacity, it is suitable for various spaces, including bedrooms, laundry rooms, and cloakrooms. Please read this manual carefully before assembly and use to ensure proper installation and safe operation.

Parts List

Before beginning assembly, verify that all components listed below are present and undamaged. Refer to the assembly video for visual identification of parts.

- Sturdy Wire Shelves (various sizes)
- Metal Hanger Rods
- Vertical Support Poles (various lengths)
- Adjustable Leveling Feet
- Plastic Sleeves/Clips (for securing shelves)
- Connectors/Couplers (for extending poles)

Setup Instructions

Follow these steps for proper assembly. It is recommended to have a second person for easier installation.

1. **Prepare the Base:** Screw the adjustable leveling feet into the bottom of the shortest vertical support poles. Ensure the square piece and adjustable feet are on the same side.
2. **Assemble Lower Sections:** Attach the plastic sleeves/clips to the desired height markings on the lower poles. Slide the bottom wire shelves over these clips, ensuring they are securely seated.
3. **Extend Vertical Poles:** Use the connectors/couplers to extend the vertical poles to their full height. Ensure all

connections are tight and stable.

4. **Install Upper Shelves:** Attach plastic sleeves/clips to the upper sections of the poles at your desired heights. Slide the remaining wire shelves onto these clips.
5. **Attach Hanging Rods:** Secure the metal hanger rods between the vertical poles using the provided hooks or clips. Adjust their height as needed for different clothing lengths.
6. **Final Adjustments:** Once fully assembled, adjust the leveling feet to ensure the rack is stable and level on your floor.

Operating Instructions

The Raybee Heavy Duty Clothes Rack is designed for maximum organization and durability.

- **Load Capacity:** The rack has a maximum load capacity of 1150 pounds. Distribute weight evenly across shelves and hanging rods to maintain stability.

- **Adjustable Configuration:** The modular design allows for two main configurations: a straight-line setup (76"W × 18"D × 72"H) or an L-shape corner setup (110" × 110"). You can also connect multiple units for larger storage needs.
- **Tiered Storage:** Utilize the top tiers for long dresses or coats, middle tiers for everyday clothes, and bottom shelves for shoes, bags, or accessories. Each shelf can hold up to 88 lbs.

Maintenance

To ensure the longevity and appearance of your Raybee Clothes Rack, follow these simple maintenance guidelines:

- **Cleaning:** Wipe down the metal surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the coated finish.

- **Inspection:** Periodically check all connections and ensure plastic sleeves/clips are securely in place. Tighten any loose parts as needed.
- **Weight Distribution:** Always distribute weight evenly across the shelves and hanging rods to prevent warping or instability.

Troubleshooting

If you encounter any issues with your clothes rack, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Rack is wobbly or unstable.	Uneven floor; loose connections; uneven weight distribution.	Adjust leveling feet; tighten all plastic sleeves/clips; redistribute items evenly.
Shelves are not level.	Plastic sleeves/clips not installed at the same height.	Re-adjust plastic sleeves/clips to ensure they are at identical heights on all poles for each shelf.
Difficulty assembling poles/shelves.	Incorrect orientation of parts; clips not fully engaged.	Refer to the assembly video and ensure parts are oriented correctly. Apply firm, even pressure to seat shelves onto clips.

Specifications

- **Brand:** Raybee
- **Model Number:** 4D5H-06
- **Color:** Black
- **Material:** Metal
- **Product Dimensions:** 18"D x 76"W x 77"H
