Wembley RACER-CAR

Wembley RC Car RACER-CAR Instruction Manual

Model: RACER-CAR | Brand: Wembley

Introduction

This manual provides essential information for the safe and optimal use of your Wembley RC Car RACER-CAR. Please read these instructions carefully before operating the product. This 1:24 scale remote control car is designed for high-speed racing and offers a realistic driving experience.

What's in the Box

- 1 x Wembley RC Car (Model: RACER-CAR)
- 1 x Remote Control
- 1 x USB Charging Cable (Type-C)
- 1 x Rechargeable Lithium-Ion Battery (pre-installed in car)

Setup

Car Battery Charging

The RC car is powered by a rechargeable Lithium-Ion battery.

1. Locate the Type-C charging port on the underside of the car.
2. Connect the provided USB charging cable to the car's Type-C port and to a standard USB power adapter (not included) or computer USB port.
3. The charging indicator light on the car will be red while charging.
4. The light will turn off when the battery is fully charged.
5. Charging time is approximately 90 minutes.
6. A full charge provides 60-120 minutes of running time.

Image: Underside of the RC car with charging port and controls labeled. The charging indicator is red during charging and off when complete. Charging time is 90 minutes for 60-120 minutes of play.

Remote Control Battery Installation

The remote control requires 2 x AA batteries (not included).

1. Open the battery compartment on the back of the remote control.
2. Insert 2 new AA batteries, ensuring correct polarity (+/-).
3. Close the battery compartment securely.

Powering On

1. Turn the ON/OFF switch on the underside of the car to the "ON" position.
2. Turn on the remote control. The car and remote should automatically pair.

Operating Instructions

The remote control allows for full directional movement.

Image: A child operating the RC car with the remote control, demonstrating its ease of use and multi-directional movement.

Basic Controls

- **Forward:** Push the left joystick forward.
- **Backward:** Pull the left joystick backward.
- **Turn Left:** Push the right joystick left.
- **Turn Right:** Push the right joystick right.

Features

The car features interactive LED lights and a dynamic front wheel spinner for an enhanced racing experience.

Maintenance

Cleaning

Wipe the car and remote control with a soft, dry cloth. Do not use water or chemical cleaners.

Storage

Store the car and remote in a cool, dry place away from direct sunlight when not in use.
Remove batteries from the remote control if storing for extended periods.

Battery Care

Do not overcharge the car's battery. Disconnect the charger once the indicator light turns off.
Do not expose batteries to extreme temperatures or dispose of them in fire.

Troubleshooting

Problem	Possible Cause	Solution
Car does not move	Car battery is low or dead.	Recharge the car battery.
	Remote control batteries are low or dead.	Replace remote control batteries.
	Car or remote is not powered on.	Ensure both car and remote are switched ON.
Car not charging	Charging cable not properly connected.	Ensure USB cable is securely connected to both car and power source.
	Faulty charging cable or power source.	Try a different USB charging cable or power adapter.
Car moves erratically or turns automatically	Steering alignment issue.	Check the steering trim adjustment on the underside of the car (if available).
	Interference from other RC devices.	Move to an area with less interference.
Short operating time	Battery not fully charged.	Ensure the car battery is fully charged (indicator light off).
	Old or degraded battery.	Battery life may decrease over time.

Specifications

Feature	Detail
Brand	Wembley
Model Name	RC Car
Model Number	RACER-CAR
Scale	1:24 Scale
Power Source	Battery Powered
Car Battery Type	Rechargeable Lithium-Ion (500mAh, included)
Remote Battery Type	2 x AA (not included)
Car Charging Time	Approximately 90 minutes
Car Running Time	60-120 minutes
Material	Plastic

Feature	Detail
Color	Black
Item Dimensions (L x W x H)	17.8 x 8.5 x 6.8 cm
Item Weight	320 Grams
Age Range	Kid (Minimum Recommended age: 5 years)
