Installation is simple.

Installing Affinity is so smooth and seamless, you can count on doing it right the first time.

Installs up to 80% faster than traditional veneer!

1. Can be installed any season

2. Simple installation with screws
3. Siding interlocks with precision-engineered tongue and groove system
4. No need for metal lathe, scratch coat, or mortar
5. Features a built-in air space

RIDGE CUT SERIES

Our RIDGE CUT series provides the perfect blend of classic and contemporary, adding rustic sophistication to your building projects.

Turn your project into a conversation piece.

Affinity's premier color blends impart beauty, luxury, and depth to any space.

CLIFF LEDGE SERIES

Inspired by the timeless aesthetic of natural ledgerstone, our CLIFF LEDGE series lends an organic texture and artisanal touch to your living spaces.

Extraordinary craftsmanship. Simplified.

Affinity's innovative, interlocking system impeccably mirrors the look of authentic masonry.

The Affinity Column Kit

Brilliant beyond expectation.

Does your upcoming project include columns? Introducing the Affinity Column Kit, designed to make installation of our stone siding system around columns a breeze. The kit includes framing, requires no cuts, and features a column cap manufactured to fit perfectly around the post.

Now you're ready for company.

Make a statement indoors and out. With Affinity stone siding, you can quickly transform your home into a show-stopper with ease.

Finish like a pro with Affinity's line of accessories.

Add even more polish to your project.

Our cohesive component systems ensure quality around every corner.
