Paladone 11337TX

Paladone Grogu Projection Night Light

Model: 11337TX - Instruction Manual

Introduction

Thank you for purchasing the Paladone Grogu Projection Night Light. This device is designed to project various Star Wars themed scenes, providing a comforting and engaging light display. Please read this manual thoroughly before use to ensure proper operation and to maximize your enjoyment of the product.

Safety Information

- This product is not a toy. Keep out of reach of very young children.
- Do not expose the device to water or excessive moisture.
- Do not attempt to disassemble or modify the product. This will void the warranty.
- Use only the provided USB cable or recommended AA batteries.
- Ensure the device is placed on a stable, flat surface.

Package Contents

Verify that all items are present in the package:

- 1 x Grogu Projection Light Unit
- 1 x USB Power Cable
- 4 x Interchangeable Projection Sheets

Product Features

- **Interchangeable Scenes:** Easily swap between different Grogu and Mandalorian themed projection scenes.
- **Mood Light Function:** Offers various lighting modes, including cool, warm, and color phasing.
- **Sound Effects:** Features a button that activates official Razor Crest sounds.
- **Dual Power Source:** Can be powered via USB (cable included) or 3x AA batteries (not included).
- **Compact Design:** Standing at 12.2cm (4.8") tall, it is suitable for various spaces.

Image: The Grogu Projection Night Light operating in mood light mode, casting a soft glow.

Setup

1. **Choose Power Source:**
    - **USB Power:** Connect the provided USB cable to the Micro USB input port on the device and to a compatible USB power adapter (not included) or a USB port on a computer.
    - **Battery Power:** Open the battery compartment on the bottom of the unit and insert 3x AA batteries (not included), ensuring correct polarity. Close the compartment securely.
2. **Insert Projection Sheet:**
    - Carefully remove the clear protective film from both sides of your chosen projection sheet.
    - Align the projection sheet with the internal grooves of the clear cylindrical cover and gently wrap it inside.
    - Place the clear cylindrical cover with the projection sheet onto the base unit, ensuring it is seated correctly.
3. **Attach Dome:** Place the white dome cover on top of the clear cylindrical cover.

Operating Instructions

The device features three control buttons on its base:

- **Power Button (1):** Press and hold for 3 seconds to turn the light ON/OFF. Short press to cycle through different light colors (cool white, warm white, color phasing).
- **Rotation Button (2):** Press to activate or deactivate the rotation of the projected image.
- **Music Button (3):** Press to play or stop the integrated Razor Crest sound effects.

Maintenance

- **Cleaning:** Wipe the exterior of the device with a soft, dry cloth. Do not use abrasive cleaners or immerse in water.
- **Storage:** When not in use for extended periods, remove batteries and store the device in a cool, dry place away from direct sunlight.
- **Projection Sheets:** Handle projection sheets by their edges to avoid fingerprints or scratches. Store them flat in a protective sleeve.

Troubleshooting

Problem	Solution

Problem	Solution
Light does not turn on.	Ensure USB cable is securely connected and power source is active, or check if AA batteries are inserted correctly and are not depleted. Hold the power button for 3 seconds.
Projection is blurry or unclear.	Verify that the clear protective film has been removed from both sides of the projection sheet. Ensure the projection sheet is correctly seated within the cylindrical cover.
Rotation function is not working.	Press the Rotation Button (2) to activate the rotation. If it still doesn't work, ensure the device is on a flat surface.
Music is too loud/soft or not playing.	Press the Music Button (3) to toggle sound. Note that the volume may not be adjustable.

Specifications

Feature	Detail
Brand	Paladone
Model Number	11337TX
Product Dimensions	5.4"D x 4.57"W x 4.53"H
Item Weight	0.3 Kilograms (10.5 ounces)
Material	Plastic
