6. Maintenance

To ensure the longevity and appearance of your EUGAD bedside table, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the surface with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as they may damage the melamine coating.
- **Spills:** Clean up spills immediately to prevent moisture absorption and staining.
- **Weight Capacity:** Do not exceed the recommended weight capacity of 9 kg to prevent damage to the table.
- **Moisture Protection:** The raised base helps protect the bottom drawer from moisture. However, avoid placing the table in excessively damp environments.
