RELAX4LIFE Round Outdoor Daybed with Canopy (Model RXE-71173) User Manual

Introduction

Thank you for choosing the RELAX4LIFE Round Outdoor Daybed with Canopy. This versatile furniture piece is designed to provide comfort and style for your outdoor living spaces, such as patios, poolsides, gardens, and decks. It features a retractable canopy for sun protection, an adjustable coffee table, and a modular design that allows for various seating arrangements.

This manual provides essential information for the safe assembly, operation, and maintenance of your new outdoor daybed. Please read it thoroughly before assembly and retain it for future reference.

Safety Information

For your safety and to prevent damage to the product, please observe the following:

- Keep away from open flames or high heat sources.
- Supervise children and pets to avoid entrapment risks.
- Do not use indoors. This product is designed for outdoor use only.
- Store cushions in a dry place when not in use to prolong their lifespan.

Package Contents

The RELAX4LIFE Round Outdoor Daybed with Canopy comes in 4 boxes. Please ensure all components are present before beginning assembly.

- 1 x Fan-Shaped Lounge Chair
- 1 x Retractable Canopy

- 1 x Coffee Table
- 2 x Single Chairs
- 3 x Back Cushions
- 5 x Seat Cushions
- 1 x Instruction Manual
- Assembly Hardware (screws, tools)

Assembly Instructions

Assembly is required for this product. The instructions and screws are included in Box 2. It is recommended that 2-3 people assemble the daybed together after receiving all boxes. Please follow these guidelines:

1. Unpack all components from the boxes and verify against the package contents list.
2. Lay out all parts on a soft, clean surface to prevent scratching.
3. Follow the step-by-step instructions provided in the included manual.
4. **Important:** Do not tighten any screws completely until all holes are aligned and all components are loosely assembled. This allows for easier adjustment and prevents misalignment.
5. Once all parts are in place, gradually tighten all screws securely.

Operating Instructions

Retractable Canopy

The daybed features a retractable canopy to provide shade or allow for sun exposure. To extend the canopy,

gently pull it forward until it reaches the desired position. To retract, push it back. Fixed ropes are provided to secure the canopy in place.

Adjustable Coffee Table

The central coffee table is height-adjustable. To raise the tabletop, lift it from its recessed position. To lower it, push it down until it locks into place. When the cushion is removed, the table can be used for drinks, snacks, or magazines. When lowered and covered with its cushion, it functions as an ottoman or additional seating.

Separated Seating Configuration

This sectional sofa conversation set can be used as a single round daybed or separated into individual seating units. The fan-shaped lounge chair and two single chairs can be rearranged around the coffee table to create a conversation set, ideal for guests or family gatherings.

Maintenance

Proper care will ensure the longevity and appearance of your outdoor daybed.

- **Cushions:** The cushion covers are designed with smooth zippers for easy removal. They are washable for convenient daily maintenance. Always keep the cushions dry for longer use. Store them in a dry, protected area when not in use or during inclement weather.
- **Rattan and Frame:** Wipe the PE rattan and metal frame with a damp cloth to clean. For stubborn dirt, use a mild soap solution and rinse thoroughly. Wipe with a dry cloth immediately after cleaning.
- **Canopy:** Clean the canopy fabric with a damp cloth and mild soap. Ensure it is completely dry before retracting or storing to prevent mildew.

Troubleshooting

If you encounter any issues with your RELAX4LIFE Round Outdoor Daybed, please refer to the following common solutions:

- **Stability Issues:** If the daybed feels unstable, recheck all assembly screws to ensure they are fully tightened. Ensure the daybed is placed on a flat, level surface.
- **Canopy Not Retracting/Extending Smoothly:** Check for any obstructions in the canopy mechanism. Ensure the telescopic pull rods are clean and free of debris.
- **Cushions Flattening:** Over time, cushions may compress. Fluff them regularly. Ensure they are kept dry to maintain their loft and shape.
- **Rattan Damage:** While durable, avoid sharp objects that could cut or scratch the rattan. For minor fraying, a small amount of clear adhesive can be used to secure loose strands.

If problems persist, please contact customer support.
