LumiSpa Care Set

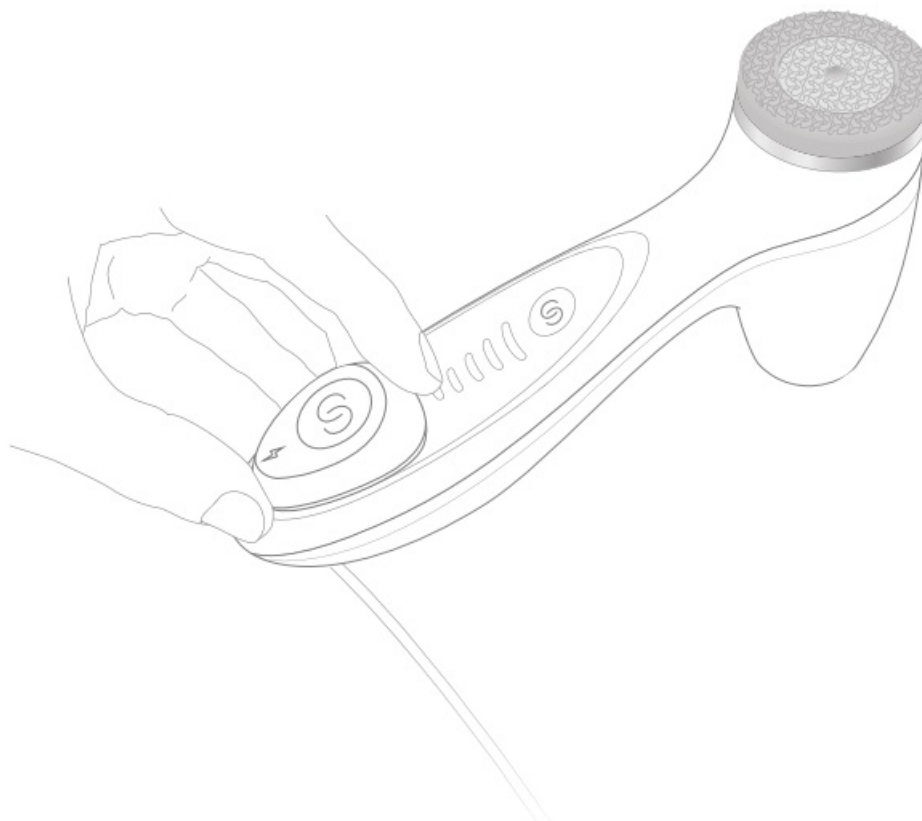

ageLOC® LumiSpa® iO is a first-of-its-kind, dual-action skin refining system, delivering dramatic skin renewal and deep cleansing in a single treatment. Use morning and night for glowing results that intensify over time. Your softer, smoother skin is just one treatment away.

CHARGING YOUR AGELOC® LUMISPA®iO

Place the ageLOC LumiSpa iO magnetic charger on your ageLOC LumiSpa iO device until fully charged.

NOTE: When the device is fully charged, the lights will display green. A full charge will last at least a week with standard use.

CONNECTING YOUR AGELOC® LUMISPA® iO TO THE APP

To unlock the full ageLOC LumiSpa iO experience, download the Nu Skin Vera® app on the App Store or Google Play.

USING YOUR AGELOC® LUMISPA*® iO

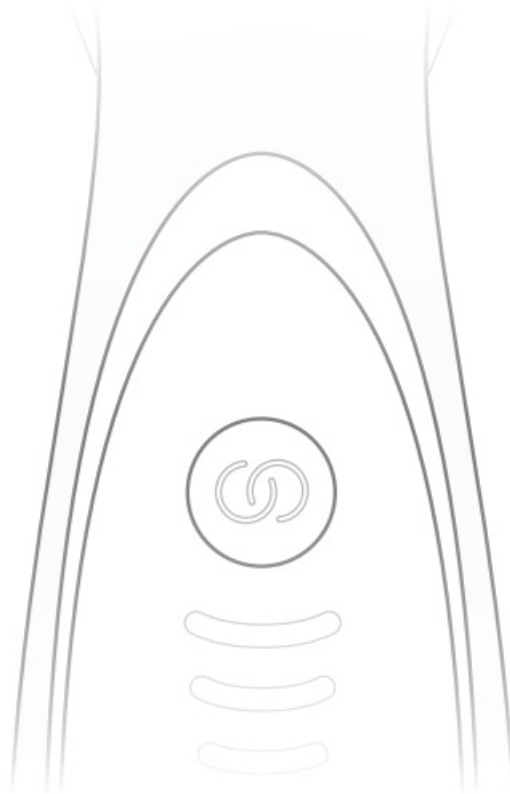

STEP 1 Moisten face with water. Apply an ample amount of ageLOC LumiSpa treatment cleanser to all areas of the face, avoiding eyes and lips.

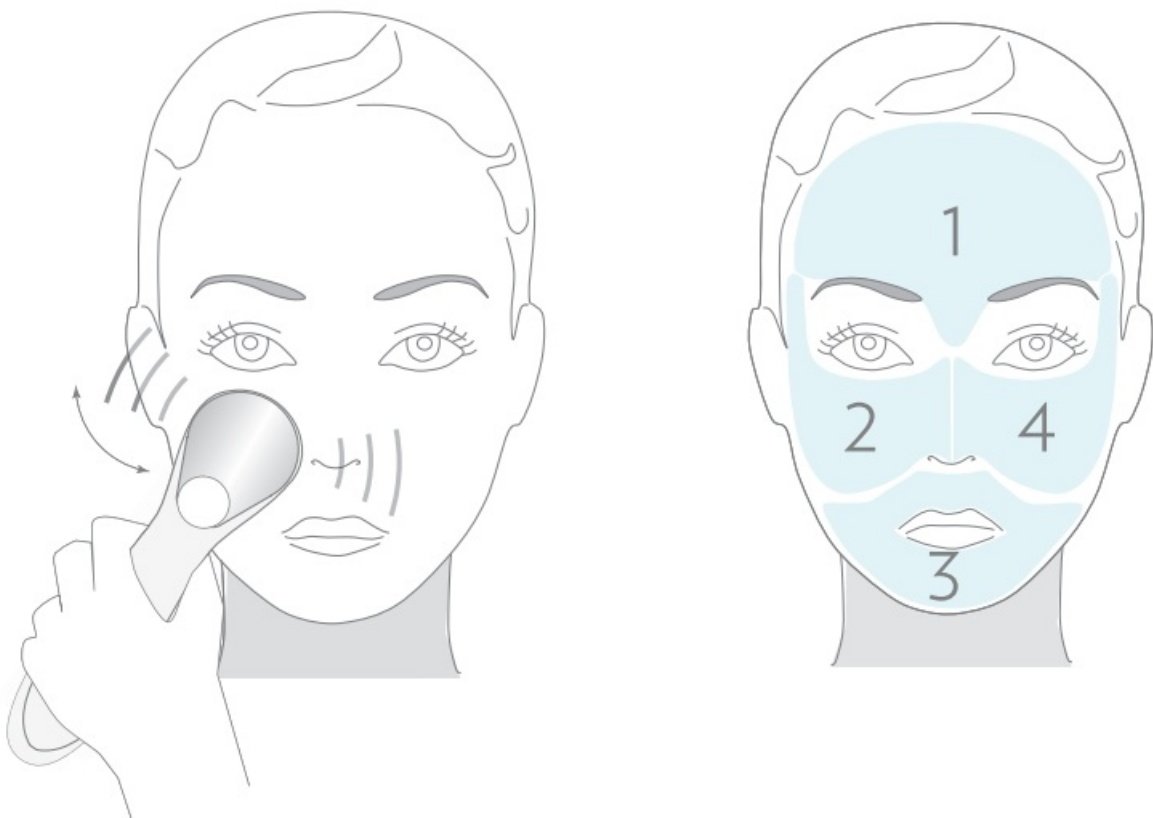

STEP 2 Wet treatment head by placing it under running water.

Press the Power button to start a treatment.

Gently glide the treatment head back and forth in slow, broad strokes over one of the areas of your face.

The device will pause briefly between each of the four zones, and the back indicator lights will progress to prompt you to move to the next area.

If you use a scrubbing motion or press too hard, the device will pause and vibrate to remind you to apply normal pressure and resume slow, broad strokes.

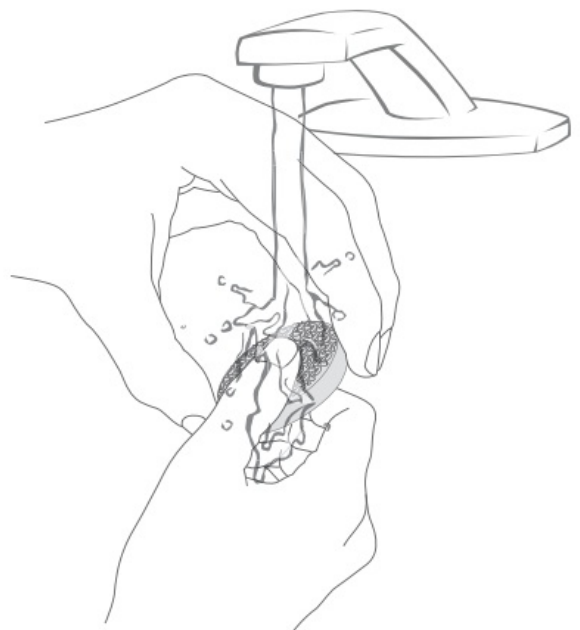

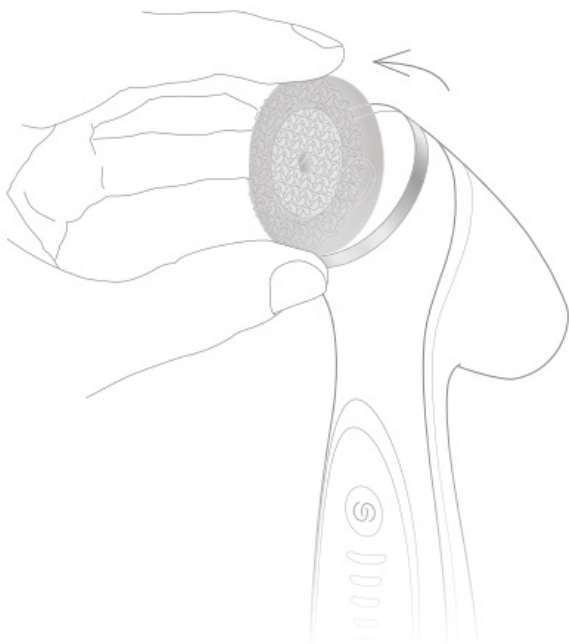

STEP 3 Device will stop after your treatment is complete and will turn off automatically.

STEP 4 Rinse your face and pat dry.

STEP 5 Remove the treatment head from the device.

Rinse it with water while rubbing to remove residual treatment cleanser. Dry thoroughly. Rinse device under water. Wipe device dry.
