ENJBRICK 1031

ENJBRICK City Restaurant Building Kit Model 1031 Instruction Manual

Your guide to assembling and enjoying your building set.

Introduction

Welcome to the ENJBRICK City Restaurant Building Kit, Model 1031. This comprehensive instruction manual provides detailed guidance for the assembly, operation, and maintenance of your new building set. Please read through this manual carefully before beginning assembly to ensure a smooth and enjoyable building experience.

Safety Information

- **Choking Hazard:** This kit contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended for children aged 8 and above.
- **Age Recommendation:** Recommended for individuals aged 8 years and older.
- **Material Safety:** All building blocks are made from Acrylonitrile Butadiene Styrene (ABS) plastic, which is durable, light, and safe.

What's in the Box

Your ENJBRICK City Restaurant Building Kit includes the following components:

- Building Blocks (1489 pieces)
- Instruction Booklet
- Light Kit (for illumination)

Setup

Before you begin assembly, prepare your workspace and components:

1. **Unpack Components:** Carefully open the package and remove all building block bags and the instruction booklet.
2. **Organize Parts:** The building blocks are typically sorted into numbered bags. It is recommended to open bags

according to the instruction booklet's sequence to avoid mixing all pieces at once.

3. **Review Instructions:** Familiarize yourself with the instruction booklet. It provides step-by-step visual guides for assembly.

Key Assembly Features:

- **Modular Design:** The City Restaurant features a modular design where each floor is detachable. This allows for easier access to the interior during assembly and for display.
- **Detailed Interior:** The kit includes various interior details such as dining areas, kitchen elements, and decorative pieces to enhance the realism of the restaurant.
- **Block Compatibility:** ENJBRICK blocks are designed for compatibility, ensuring a secure fit during assembly.

Operation

Once assembled, your City Restaurant model can be illuminated using the included light kit. Follow the specific instructions provided with the light kit for installation and power activation. The lights enhance the display value of the model, especially in low-light conditions.

Maintenance

To keep your ENJBRICK City Restaurant Building Kit in optimal condition:

- **Cleaning:** Dust the model regularly with a soft, dry cloth. For deeper cleaning, blocks can be gently washed with mild soap and water, then air-dried thoroughly.
- **Storage:** Store the assembled model or unbuilt blocks in a cool, dry place away from direct sunlight to prevent discoloration or warping.

Troubleshooting

Missing Parts:

While ENJBRICK strives for a 99.05% accuracy rate in packaging, occasional missing parts can occur. If you find any missing components during assembly, please refer to the 'Warranty and Support' section for assistance.
