3. Setup

Initial Charging:

1. Before first use, fully charge the night light. Locate the charging port, typically at the base of the unit.
2. Connect a standard USB charging cable (not included) to the night light and a suitable USB power source (e.g., computer USB port, USB wall adapter).
3. The charging indicator light (if present) will illuminate during charging and turn off or change color when fully charged.

Placement:

Place the night light on a stable, flat surface such as a bedside table, desk, or bathroom counter. Ensure it is away from direct sunlight, heat sources, and moisture.

4. Operating Instructions

Power On/Off:

- To turn the night light **ON**, locate the push button switch, typically on the base of the unit. Press the button once.
- To turn the night light **OFF**, press the push button switch again.

Recharging the Battery:

When the light dims or stops working, it indicates that the battery needs recharging. Follow the initial charging steps outlined in the "Setup" section.

5. Maintenance

Cleaning:

- Ensure the night light is turned off and unplugged before cleaning.
- Wipe the surface with a soft, dry, or slightly damp cloth. Do not use abrasive cleaners, solvents, or harsh chemicals.
- Do not immerse the unit in water or any other liquid. The product is not waterproof.

Storage:

When not in use for extended periods, store the night light in a cool, dry place, away from direct sunlight and extreme temperatures.
