Safety Information Package Contents Setup & Assembly Operating Instructions Maintenance Troubleshooting Specifications Warranty & Support

1. Safety Information

Please read all safety information before beginning assembly or play. This building set contains small parts and is intended for users aged **8 years and up**. Adult supervision is recommended for younger children.

- **Choking Hazard:** Small parts. Not for children under 3 years.
- Keep all packaging materials away from children.
- Do not ingest any pieces.
- Ensure all pieces are securely connected during assembly to prevent accidental detachment.

2. Package Contents

Verify that all components are present before starting assembly. This package should contain the following:

- 696 Building Pieces (various shapes and colors)
- 1 x Detailed Instruction Manual

3. Setup & Assembly

The ENJBRICK A-Frame Cabin Building Set is designed for step-by-step assembly. Follow the included detailed instruction manual for a smooth building experience.

1. **Unpack Components:** Carefully remove all 696 building pieces from the packaging. Organize them by color or type if desired to simplify the building process.
2. **Consult Instruction Manual:** Refer to the dedicated instruction manual provided in the box. Each step is illustrated to guide you through the construction of the A-Frame Cabin.
3. **Assemble Base Structure:** Begin by constructing the base of the cabin as shown in the initial steps of the manual. Ensure all connections are firm.
4. **Build Walls and Roof:** Proceed with building the walls and the distinctive A-frame roof structure. Pay close attention to the orientation of pieces.
5. **Add Details:** Integrate smaller details such as windows, doors, and interior elements as instructed.

6. **Attach Accessories:** Finally, add the external accessories like the buildable trees, rocking chair, and farmer tools to complete the scene.

4. Operating Instructions

Once assembled, the ENJBRICK A-Frame Cabin Building Set offers interactive features for display and imaginative play.

- **Detachable Roof:** The roof of the cabin is designed to be detachable. Gently lift the roof sections to gain easy access to the interior of the cabin for play or to admire the internal details.
- **Interior Access:** Explore the detailed interior, which may include furniture or other small elements, by removing the roof.
- **Display:** The completed model can be displayed on a shelf, desk, or as part of a larger diorama. Its classic A-frame design and autumn theme make it a decorative piece.
- **Interactive Elements:** The set includes buildable trees, a rocking chair, and farmer tools, which can be arranged around the cabin to create different scenes.

5. Maintenance

To ensure the longevity and appearance of your ENJBRICK A-Frame Cabin Building Set, follow these simple maintenance guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. For more stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** When not on display, store the building set in a cool, dry place away from direct sunlight and extreme temperatures. This helps prevent discoloration and material degradation.
- **Handling:** Handle the assembled model with care to avoid accidental detachment of pieces.

6. Troubleshooting

If you encounter any issues during assembly or with the product, refer to the following common solutions:

- **Missing Pieces:** Carefully check all packaging materials and the surrounding area. If a piece is genuinely missing, please contact ENJBRICK customer support for assistance.
- **Difficulty Assembling:** Double-check the instruction manual for the specific step you are on. Ensure that pieces are oriented correctly and firmly pressed together. Sometimes, disassembling a few steps and re-assembling can resolve the issue.
- **Loose Connections:** If pieces do not hold together firmly, ensure they are fully seated. If a piece appears defective, contact customer support.
