aidapt VM936AA Memory Foam Neck Cushion

INTRODUCTION

The Memory Foam Neck Cushion is manufactured from the finest materials available. When used correctly it is designed to give many years of reliable, trouble-free service.

BEFORE USE

- Carefully remove all packaging. Avoid using any knives or other sharp instruments as this may damage the product.
- Check the product for any visible damage. If you see any damage or suspect a fault, do not use your product as it may compromise your safety, but contact your supplier for support.

INTENDED USE

- The Memory Foam Neck Cushion has been designed to relieve pressure on the neck when seated.
- It is ideal for travelling, holidays, watching TV or reading.

Note: Avoid sharp objects such as zips and keys coming into contact with the cushion as this may damage the cover or foam filling.

CLEANING

Clean your Memory Foam Neck Cushion inner using a mild detergent with a slightly damp, soft cloth only. Only use a mild detergent or disinfectant; never use an abrasive cleaner. Do not soak the foam inner. The cover can be removed and washed at a low heat with similar colours.

After cleaning, leave the cushion and cover to dry in a warm, dry place, but not in direct contact with a heat source.

REISSUE

If you reissue or are about to reissue this product, please thoroughly check all components for their safety. If in any doubt, please do not issue or use, but immediately contact your supplier for service support.

CARE & MAINTENANCE

Please make a safety check of the product at regular intervals or if you have any concerns.
