## WHAT'S IN THE BOX

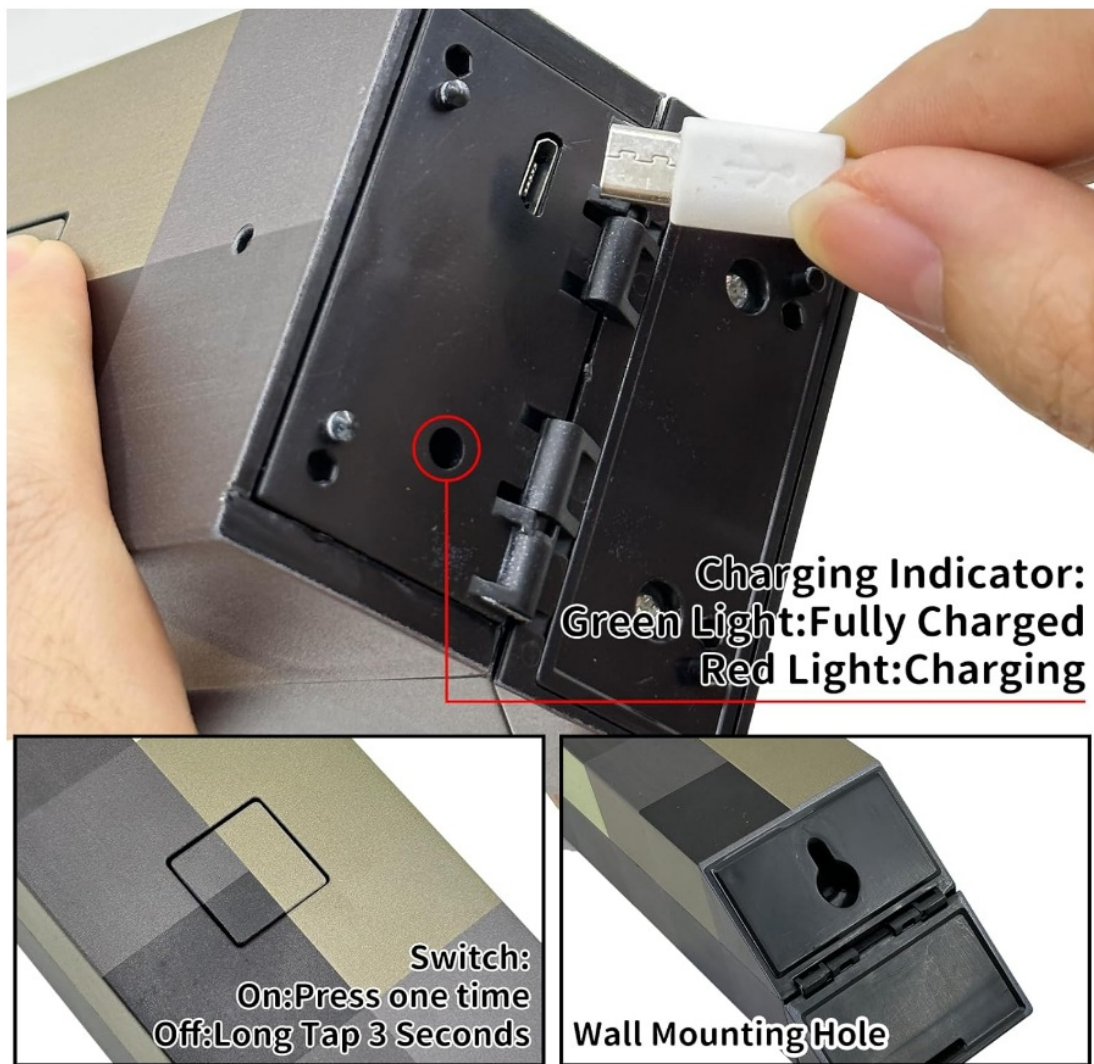

- Light-up Wall Torch Lamp
- User Manual

## FEATURES

- **Colors Available:** Pink, yellow, green, blue, purple, sky blue, and light purple are the seven vivid colors available on the 7 Color Display. You can flip between them to create different moods.

- **Color Change Option:** This dynamic option is ideal for creating a lively environment as it alternates between the seven hues.
- **Versatile Use:** It is convenient to use as a handheld torch, wall-mounted torch, or standing torch due to its lightweight and small design.
- **USB Rechargeable:** This device does not require disposable batteries because it comes with a USB cord for convenient recharging.

- **Long Battery Life:** The rechargeable battery provides long-lasting illumination for up to eight hours when fully charged.
- **Fast Charging:** It takes roughly 3.5 hours to fully charge, so it's ready to use right away.
- **Compact Size:** Measuring 11"D x 2.2"W x 2.2"H, it can easily fit in any space without taking up too much space.
- **Multicolor Mood Lighting:** Ideal for creating a mood with varied hues that go well with different settings, whether you're reading, lounging, or using it as a decorative accent.
- **Versatile Placement:** It can be mounted on the wall for a variety of decorative purposes, used as a handheld torch, or set on a nightstand.
- **Sturdy Plastic Construction:** Constructed from premium plastic, the lamp is lightweight and robust for extended usage.
- **Simple Settings:** Changing colors or modifying the lighting to your liking is easy with the simple controls.
- **Energy-Efficient:** This light is both economical and environmentally beneficial due to its rechargeable battery and minimal power usage.
- **Fantastic Gift Idea:** Perfect for birthdays, Christmas, or Halloween, this is the ideal present for kids and enthusiasts of vibrant lights.
- **Stylish Design:** The sleek design and glossy finish complement a variety of decor styles, from modern to fun, making it perfect for kids' rooms or themed events.
- **After-Sales Support:** Dependable customer care is available to help with any problems and guarantee a satisfying shopping experience.

## SETUP GUIDE

- **Unpack the Lamp:** Take the lamp out of the box along with any extras.
- **Examine the Parts:** Verify that the lamp, USB cord, and AAA battery (if supplied) are all there.
- **Insert Battery (If Necessary):** If required, place one AAA battery into the compartment, making sure it is positioned properly.
- **Connect the USB Cable:** To charge the light, insert the provided USB cable into a USB port.
- **Charging Indication:** Look for the red charging indication to ensure the lamp is charging.
- **Charge Completely:** Allow the lamp to charge for around three and a half hours, ensuring the green indication illuminates when fully charged.
- **Test the Light:** Press the button to turn on the lamp and check its operation after it has finished charging.
- **Choose the Color You Want:** Press the button to switch between the seven colors and the color-changing mode.
- **Select Your Position:** Depending on your needs, place the lamp as a standing torch, wall-mounted light, or handheld torch.
- **Wall Mounting Option:** If wall mounting is your preference, secure the lamp in place with the proper screws or adhesive.
- **Nightstand Setup:** For a steady, user-friendly light source, simply set the lamp on a level surface, such as a desk or nightstand.
- **Turn on the Color Mode:** To activate the color-changing mode for a dynamic light show, press the button.
- **Adjust Brightness (If Applicable):** If available, adjust the brightness following the instructions provided with the lamp.
- **Verify Stability:** Ensure the lamp is stable to avoid unintentional falls, especially when fixed or positioned.
- **Power Off After Use:** To preserve battery life, always turn off the lamp after usage.

## CARE & MAINTENANCE

- **Frequent Cleaning:** Wipe the lamp's surface with a gentle, moist cloth to remove dust and grime.
- **Steer Clear of Aggressive Chemicals:** Avoid using abrasive materials or harsh cleaners that may damage the lamp's finish.
- **Periodically Charge:** Recharge the lamp when the battery is low to prevent it from dying entirely.
- **Store Correctly:** Keep the lamp in a cool, dry location when not in use to avoid damaging the battery or electronics.
- **Examine the USB Cord:** Regularly check for wear or damage on the USB charging cord.
- **Clean the Battery Compartment:** Keep the battery compartment dry and clean to prevent corrosion or malfunction.
- **Handle Carefully:** Avoid dropping or knocking the lamp to prevent breaking the plastic case or damaging internal parts.
- **Turn Off When Not in Use:** Preserve battery life by turning off the lamp when not in use.
- **Avoid Direct Sunlight:** Keep the lamp out of direct sunlight to prevent overheating or color fading.
- **Keep Ventilation Holes Clear:** Ensure charging ports and ventilation holes are unobstructed to preserve optimal performance.
- **Replace Battery If Necessary:** Swap out the AAA battery if its performance deteriorates.
- **Don't Overcharge:** Avoid excessive charging; unplug the lamp from the power source once it has finished

charging.

- **Examine for Bad Connections:** Check the battery contacts and USB port for any loose connections.
- **Store When Traveling:** When traveling, pack the lamp securely to avoid damage.
- **Ensure Proper Securing:** Make sure the lamp is securely mounted, especially if wall-mounted, and that the mounting surface is stable.

## TROUBLESHOOTING

Issue	Possible Cause	Solution
Lamp does not turn on	Battery not installed correctly	Ensure the AAA battery is inserted properly
Colors do not change	Incorrect mode selected or low charge	Charge the lamp fully and select the color change mode
Lamp is flickering	Low battery level	Recharge the lamp until the light turns green
Lamp won't charge	Charging cable or port malfunction	Try a different USB cable and ensure a proper connection
Lamp is dim	Insufficient charge	Fully charge the lamp to restore brightness
Color cycling stops	The lamp is set to static color mode	Switch to color-changing mode in settings
Lamp is too hot to touch	Overuse or poor ventilation	Allow the lamp to cool down before handling
Charging light remains red after long charge	Charging issue or defective battery	Try using another USB port for charging or replace the battery
Light output is uneven	Damaged LED inside lamp	Contact customer service for repairs or replacement
Lamp stopped working after a fall	Physical damage to the lamp	Inspect for visible cracks and contact support for repair

## PROS & CONS

### Pros:

1. **7-Color Options** – Customize your space with a variety of colors for different moods and scenes.
2. **Portable & Lightweight** – Easy to carry, mount, or stand as a torch.
3. **USB Rechargeable** – Convenient charging with long battery life.
4. **Perfect Gift** – Ideal for kids, perfect for special occasions like birthdays and holidays.
5. **Durable Design** – Made from high-quality plastic, ensuring sturdiness and longevity.

### Cons:

1. **Limited Battery Life** – 8 hours of use may not last for long periods of continuous lighting.
2. **Requires AAA Battery** – Additional battery needed for operation, which may be inconvenient.
3. **Small Size** – At 11 inches long, it may not provide enough lighting for large rooms.
4. **Color Changing Feature** – Some users might prefer a static color instead of cycling through multiple colors.

5. **Charging Time** – Takes **3.5 hours** to fully charge, which could be considered lengthy for some.

## WARRANTY

The AIDYVOI LIGHT240321 Light-up Wall Torch Lamp comes with a **1-year** warranty. This covers any manufacturer defects and issues arising from faulty materials or workmanship. The warranty does not cover damage caused by improper use or accidental damage. For returns, exchanges, or assistance, customers are encouraged to reach out to AIDYVOI customer service.

## FREQUENTLY ASKED QUESTIONS

How many colors can the AIDYVOI LIGHT240321 Light-up Wall Torch Lamp display?

The AIDYVOI LIGHT240321 features 7 colors: pink, yellow, green, blue, purple, sky blue, and light purple. It also includes a 7-color change mode that cycles through all colors.

What material is the AIDYVOI LIGHT240321 Light-up Wall Torch Lamp made from?

The AIDYVOI LIGHT240321 is made of high-quality plastic, ensuring durability and lightweight portability.

How long does it take to fully charge the AIDYVOI LIGHT240321 Light-up Wall Torch Lamp?

The AIDYVOI LIGHT240321 takes about 3.5 hours to fully charge, and the charging indicator turns green once the lamp is fully charged.

What is the battery life of the AIDYVOI LIGHT240321 Light-up Wall Torch Lamp?

When fully charged, the AIDYVOI LIGHT240321 provides about 8 hours of battery life.

How do you charge the AIDYVOI LIGHT240321 Light-up Wall Torch Lamp?

The AIDYVOI LIGHT240321 charges via a USB cable included in the package. Plug it into any USB-compatible port to recharge.

Why is my AIDYVOI LIGHT240321 Light-up Wall Torch Lamp not charging?

If the AIDYVOI LIGHT240321 is not charging, ensure that the USB cable is securely connected to both the lamp and the power source. Also, check the charging port for any debris or damage.

How can I reset the AIDYVOI LIGHT240321 Light-up Wall Torch Lamp if its not working properly?

If the AIDYVOI LIGHT240321 is malfunctioning, try turning it off, unplugging it from the charger, and then restarting it. If the issue persists, contact the manufacturer for assistance.
