INSTRUCTIONS

The MCW-S/B is a stand that will allow you to locate an Aiphone intercom station on a desk or tabletop. This stand has two angle settings, enabling the user to select the optimal mounting angle for the intercom station (45° or 60°).

45° Angle

60° Angle

Dimensions

- Faceplate: 4½" W x 6½" H
- Base: 6½" W x 8" D
- Height at 45°: 51"
- Height at 60°: 53"

Contents

- Desk Stand
- Set of 4 each ¾" screws, washers and nuts

MOUNTING

1. Use the supplied mounting hardware to attach the intercom's mounting bracket to the MCW-S/B.
2. Set the angle of the MCW-S/B by adjusting the rear support arm for either a 45° or 60° angle.
3. Lock the rear support arm into position to prevent the MCW-S/B from collapsing.
4. Feed the wires through the back of the MCW-S/B and attach to the intercom unit.
5. Mount the station onto the mounting bracket.

Compatible Stations:

Video inside stations for AX, GT, IXG, JF, JO, JP, and KB.

Audio inside stations for AT, DB, IE, KB, MC, and TD.
