If you forget the password, please press the reset button to restore the factory settings. The factory settings password is 8888.

Specification

【 Product 】	: AE103
【 Size 】	: 122*65*214mm
【 Volume 】	: 100ml
【 Weight 】	: 300g
【 Coverage 】	: 100m ²
【 Power 】	: AC100V-240V 60/60HZ

Installation method

Warning

1. Please keep the machine vertical. Tilt or lying flat may cause the oil to overflow. The efficiency of the machine may be affected.
2. Shall not modify, disassemble or repair the machine. If any failure happens to the machine, please contact our technical personnel.

Equipment cleaning

The machine needs to be cleaned when the below situation happens:

1. You're about to change to another kind of essential oils
2. The atomization volume goes weak

Cleaning steps

1. Unscrew the lower cover and take out the oil bottle
2. Find a larger container and fill the industrial alcohol up. Then soak the bottle for 5-10 minutes.
3. Airing the bottle.

Concentration and consumption

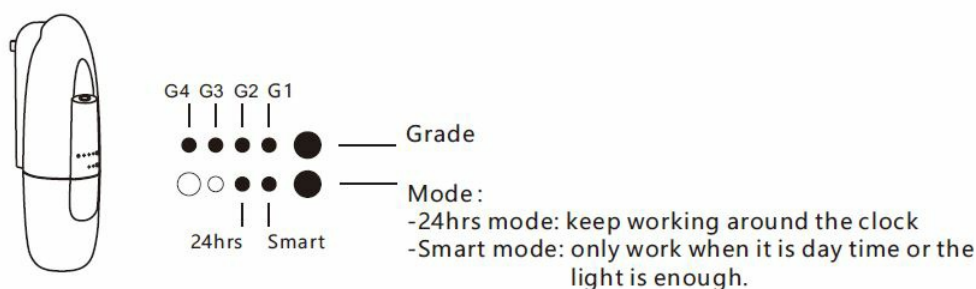

Notes

Grade	G1	G2	G3	G4
Pausing time(s)	285s	135s	85s	60s
Consumption(ml/hr)	0.07	0.15	0.23	0.30

1. The working time above of each grade is 15s.
2. Different grades and oils may have different consumption.

Operating instructions

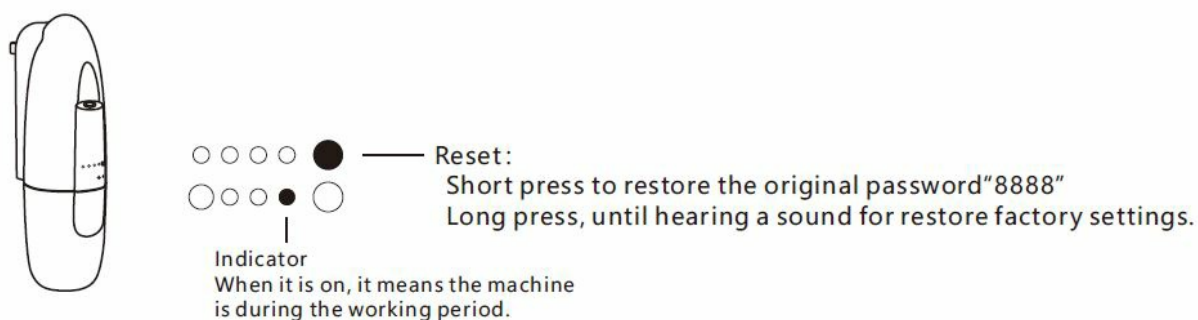

Button control version: easy to handle and light sensor mode

- 24hrs mode: keep working around the clock
- Smart mode: only works when it is daytime or the light is enough

APP version
