VEVOR 17"Wx21.2"Dx15.2"H

VEVOR 2-Tier Pull Out Cabinet Organizer Instruction Manual

Model: 17"W x 21.2"D x 15.2"H

1. Introduction

This manual provides detailed instructions for the assembly, installation, operation, and maintenance of your VEVOR 2-Tier Pull Out Cabinet Organizer. Designed for efficient storage, this heavy-duty, chrome-plated steel organizer offers a smooth and quiet sliding mechanism, making it ideal for various cabinet applications in your home.

2. Safety Information

- Always ensure the cabinet organizer is securely mounted to prevent tipping or instability.
- Do not exceed the maximum weight capacity of 66 lbs (30 kg) per tier.
- Keep fingers clear of moving parts during operation to avoid pinching.
- Verify cabinet dimensions carefully before installation to ensure proper fit and clearance.
- Use appropriate tools for assembly and installation as specified in the instructions.

3. Package Contents

Please check that all components are present before beginning assembly:

- 2-Tier Pull Out Frame with Slide Rails
- 2 x Storage Baskets
- 2 x Plastic Non-Slip Mats
- Partition Rods (for organizing items)
- Mounting Hardware (screws, brackets)

5. Setup and Installation

Follow these steps for proper assembly and installation:

1. **Measure Your Cabinet:** Before installation, measure the width, depth, and height of your cabinet opening. Ensure there are no obstructions like door hinges or pipes. The minimum required cabinet dimensions are 18.5"W x 22.5"D x 19"H.

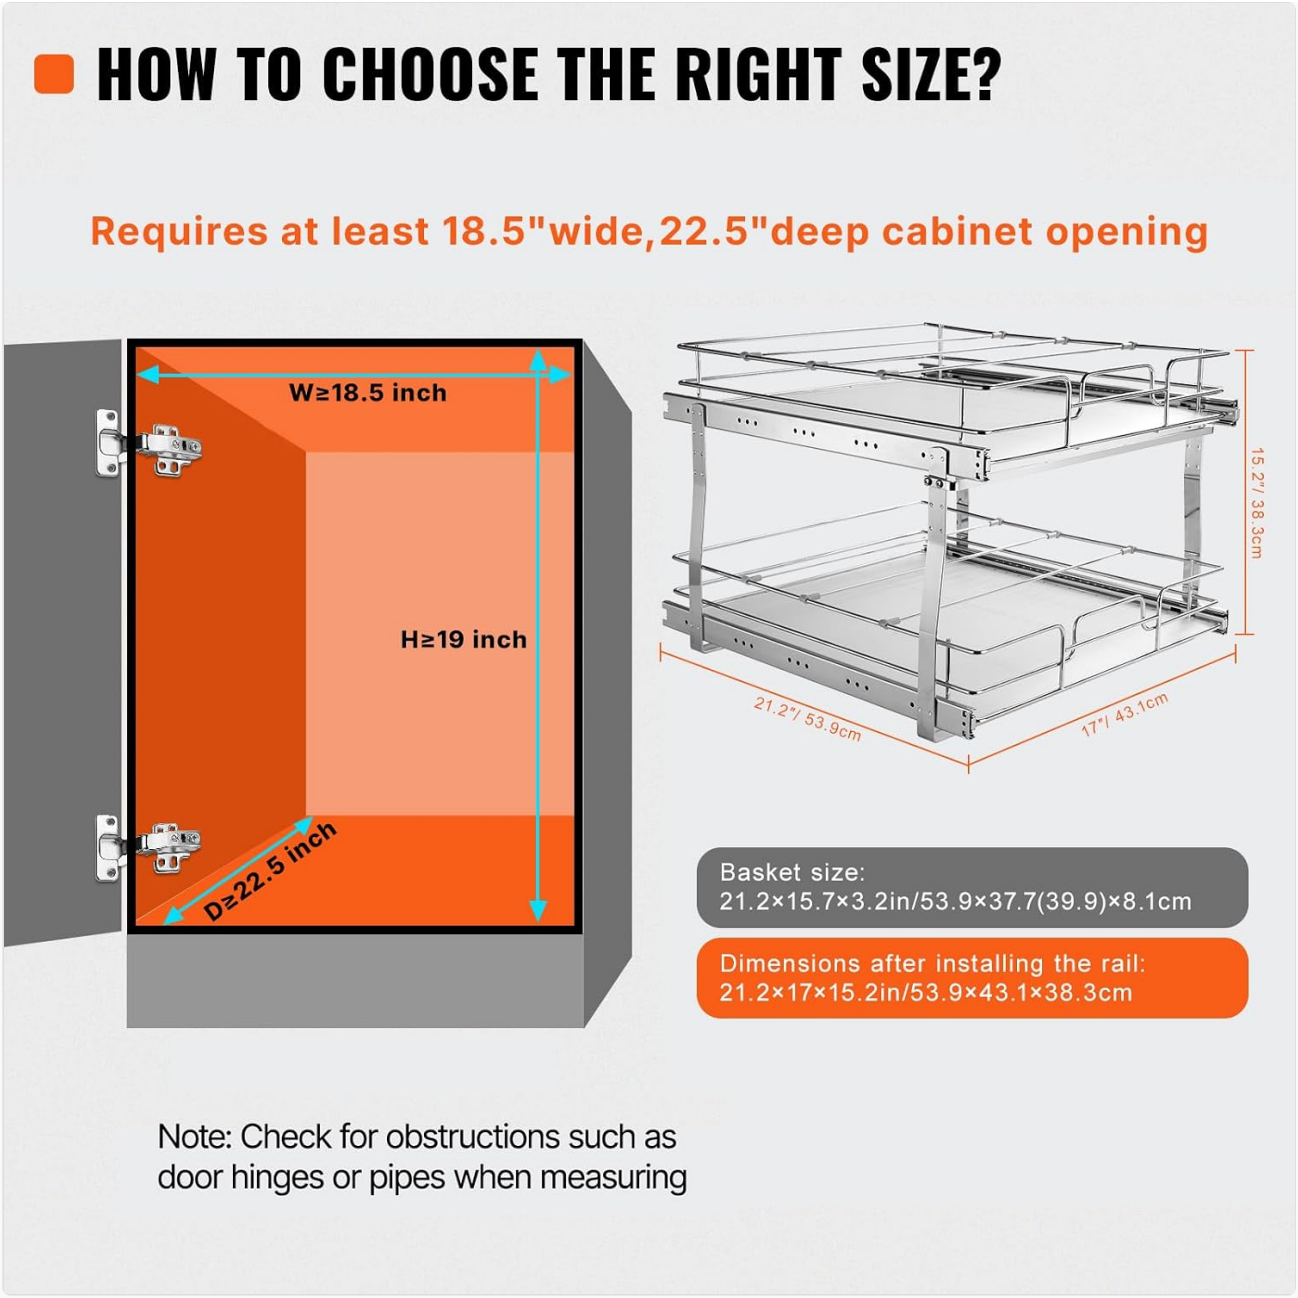

Figure 3: Cabinet measurement guide.

2. **Attach Slide Rails:** Attach the four slide rails to the U-brackets using the provided screws.
3. **Install Brackets in Cabinet:** Position the assembled frame inside your cabinet. Secure the brackets to the cabinet base with the provided screws. The organizer can be installed on either the left or right side to accommodate water pipes or other obstructions.
4. **Attach Baskets:** Press the storage baskets onto the slide rail system until they securely click into place.
5. **Insert Mats and Dividers:** Place the non-slip plastic mats into the baskets. Insert the partition rods into the designated slots to organize items as needed.

6. Operating Instructions

The VEVOR 2-Tier Pull Out Cabinet Organizer is designed for ease of use:

- **Pulling Out:** Gently pull the front of either basket to slide it out. The industrial-grade ball bearing system ensures smooth and quiet operation.
- **Pushing In:** Push the basket back into the cabinet until it is fully retracted.
- **Organizing Items:** Use the removable partition rods to create compartments within the baskets, keeping items neatly separated and preventing them from falling over.

- **Non-Slip Mats:** The included plastic mats provide a stable surface for items and prevent smaller objects from falling through the wire grid.

7. Maintenance

To ensure the longevity and optimal performance of your VEVOR cabinet organizer:

- **Cleaning:** The chrome-plated steel surface can be wiped clean with a soft, damp cloth. For stubborn stains, use a mild, non-abrasive cleaner. The plastic mats are detachable and can be washed with soap and water.
- **Lubrication:** Periodically check the slide rails for smooth operation. If needed, apply a small amount of silicone-based lubricant to the ball bearings.
- **Inspection:** Regularly inspect all screws and connections to ensure they remain tight. Tighten any loose fasteners

as necessary.

8. Troubleshooting

- **Organizer does not slide smoothly:**
  - Check for obstructions in the slide rails.
  - Ensure the organizer is installed level and square within the cabinet.
  - Verify that the weight distributed on the baskets does not exceed the 66 lbs capacity.
  - Apply lubricant to the ball bearings if necessary.
- **Organizer feels unstable or wobbly:**
  - Confirm all mounting screws are securely tightened to the cabinet base.
  - Ensure the cabinet itself is stable and properly constructed.
- **Items fall over when pulling out/pushing in:**
  - Utilize the provided partition rods to create smaller compartments for better item stability.
  - Ensure items are placed securely on the non-slip mats.

9. Warranty and Support

VEVOR is committed to providing excellent service. If you require assistance with missing accessories, instructions, or support during installation, please do not hesitate to contact us. We will endeavor to provide the best possible service.
