LEDKIA LIGHTING Moonlight Brass Round 3-Spot Floor Lamp User Manual

1. Introduction

Thank you for choosing the LEDKIA LIGHTING Moonlight Brass Round 3-Spot Floor Lamp. This elegant lighting fixture is designed to enhance the ambiance of your indoor spaces with its sophisticated metal and glass construction and versatile illumination. This manual provides essential information for the safe installation, operation, maintenance, and troubleshooting of your new floor lamp. Please read these instructions carefully before assembly and use, and retain them for future reference.

2. Safety Instructions

To ensure safe operation and prevent damage, please observe the following safety precautions:

- Always disconnect the power supply before installation, cleaning, or maintenance.
- This product is designed for indoor use only (IP20 rating). Do not expose to moisture or extreme temperatures.
- Ensure the lamp is placed on a stable, level surface to prevent tipping.
- Use only E27 LED bulbs with a maximum wattage of 20 Watts per socket. Exceeding this limit may cause overheating and damage.
- Handle glass components with care to avoid breakage and injury.
- Do not use abrasive cleaners or solvents on the lamp's finish or glass shades.
- Keep packaging materials out of reach of children.
- If any part of the lamp is damaged, discontinue use and contact customer support.

3. Package Contents

Verify that all components are present and undamaged before proceeding with assembly:

- Floor Lamp Base
- Lamp Pole Sections (typically 2-3 sections)
- Lamp Head with 3 E27 Sockets

- 3 Spherical Glass Shades
- Power Cord with Foot Switch
- Assembly Hardware (if applicable)

4. Setup and Assembly

Follow these steps to assemble your floor lamp:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Attach Base:** Securely screw the lamp pole (or the lowest pole section) into the heavy base. Ensure it is tightened firmly to provide stability.
3. **Assemble Pole Sections:** If the lamp pole comes in multiple sections, carefully screw them together clockwise until fully tightened. Ensure the electrical wire passes freely through the pole.

4. **Attach Lamp Head:** Screw the lamp head assembly onto the top pole section. Ensure the connection is secure.
5. **Install Bulbs:** Carefully screw three E27 LED bulbs (not included) into the sockets on the lamp head. Do not overtighten.
6. **Attach Glass Shades:** Gently attach each spherical glass shade to its respective socket. Typically, these will screw on or clip into place. Ensure they are secure but do not apply excessive force.
7. **Position Lamp:** Place the assembled lamp in your desired location, ensuring the power cord can reach an electrical outlet without being stretched or obstructed.

5. Operating Instructions

Operating your LEDKIA LIGHTING floor lamp is straightforward:

1. **Connect to Power:** Plug the power cord into a standard electrical outlet.
2. **Turn On/Off:** Locate the foot switch on the power cord. Press the switch to turn the lamp ON or OFF.
3. **Bulb Customization:** This lamp is compatible with E27 LED bulbs, allowing you to choose bulbs with different color temperatures (warm, neutral, cool) or smart RGB/CCT bulbs to create your desired ambiance.

6. Maintenance

Proper care will ensure the longevity and appearance of your lamp:

- **Cleaning:** Disconnect the lamp from power before cleaning. Use a soft, dry cloth to wipe down the metal and glass surfaces. For glass shades, a slightly damp cloth can be used, followed by a dry cloth.
- **Avoid Chemicals:** Do not use harsh chemicals, abrasive cleaners, or polishing agents, as these can damage the finish and glass.
- **Bulb Replacement:** Ensure the lamp is unplugged and bulbs have cooled before attempting to replace them.

7. Troubleshooting

If you encounter issues with your floor lamp, refer to the following table:

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Lamp does not turn on.	1. Power cord not plugged in. 2. Foot switch is off. 3. Bulb(s) are faulty or loose. 4. Power outlet is not working.	1. Ensure the power cord is securely plugged into a working outlet. 2. Press the foot switch to the ON position. 3. Check and tighten bulbs. Replace faulty bulbs. 4. Test the outlet with another appliance.
Bulbs flicker.	1. Loose bulb connection. 2. Incompatible bulb type. 3. Faulty bulb.	1. Tighten bulbs securely. 2. Ensure E27 LED bulbs are used. 3. Replace the flickering bulb.
Lamp is unstable.	1. Base not securely attached. 2. Lamp placed on an uneven surface.	1. Re-tighten the base to the pole. 2. Move the lamp to a flat, stable surface.

8. Specifications

Feature	Detail
Brand	LEDKIA LIGHTING
Model Number	105272_214719
Dimensions (L x W x H)	34.2 x 34.2 x 148 cm (13.46 x 13.46 x 58.27 inches)
Weight	4.64 Kilograms (10.23 lbs)
