INIA D-1198

INIA FOND IPL Laser Hair Removal Device User Manual

Model: D-1198

1. Important Safety Information

Please read all instructions carefully before using the INIA FOND IPL Laser Hair Removal Device. Failure to follow safety guidelines may result in injury or device damage.

- **Not Suitable For:** Tattoos, skin diseases, sunburned skin, scalp, eyebrows, or injured skin.
- Ensure your skin is clean and shaved before treatment.
- Use aloe vera gel after treatment if skin irritation occurs.
- Always wear the provided safety glasses during operation to protect your eyes from intense pulsed light.
- The device features sensitive mode and skin contact sensors to enhance safety during use.

Skin Tone and Hair Color Suitability: IPL technology is most effective and safe on lighter skin tones with darker hair colors. Refer to the 'Skin and Hair Suitability Chart' in Section 4 for detailed guidance.

Image: This chart illustrates suitable skin tones (lighter shades) and hair colors (darker shades) for effective and safe IPL treatment. Darker skin tones and very light hair colors are generally not suitable.

2. Product Overview

The INIA FOND IPL Laser Hair Removal Device is designed for effective at-home hair reduction. Utilizing advanced IPL technology, it targets hair follicles to inhibit regrowth, providing long-lasting smoothness.

Key Features:

- **Advanced IPL Technology:** Penetrates deep to damage hair follicles for lasting smoothness.
- **Custom Modes:** Dedicated Bikini, Body, and Face modes for targeted treatment.
- **Adjustable Intensity Levels:** 5 levels to suit various skin sensitivities.
- **Auto-Glide Mode:** For quick and efficient treatment sessions.
- **Safety Features:** Clinically tested, certified safe, with sensitive mode and skin contact sensors.
- **Compact and Portable:** Ergonomic design for comfortable handling and easy storage.

3. Package Contents

Upon unpacking, please ensure all items are present:

- INIA FOND IPL Laser Hair Removal Device
- Safety Glasses
- Power Adapter
- User Manual (this document)

4. Getting Started and Setup

Follow these steps to prepare your device for its first use:

1. **Prepare and Shave:** Ensure the treatment area is clean, dry, and freshly shaved. Do not wax, pluck, or use depilatory creams, as these remove the hair root necessary for IPL treatment.
2. **Wear Safety Goggles:** Always wear the provided safety glasses to protect your eyes from the intense light flashes.
3. **Connect Power:** Plug the power adapter into the device and then into a power outlet. The device is designed to operate only when plugged in.
4. **Power On:** Press and hold the power button to turn on the device.

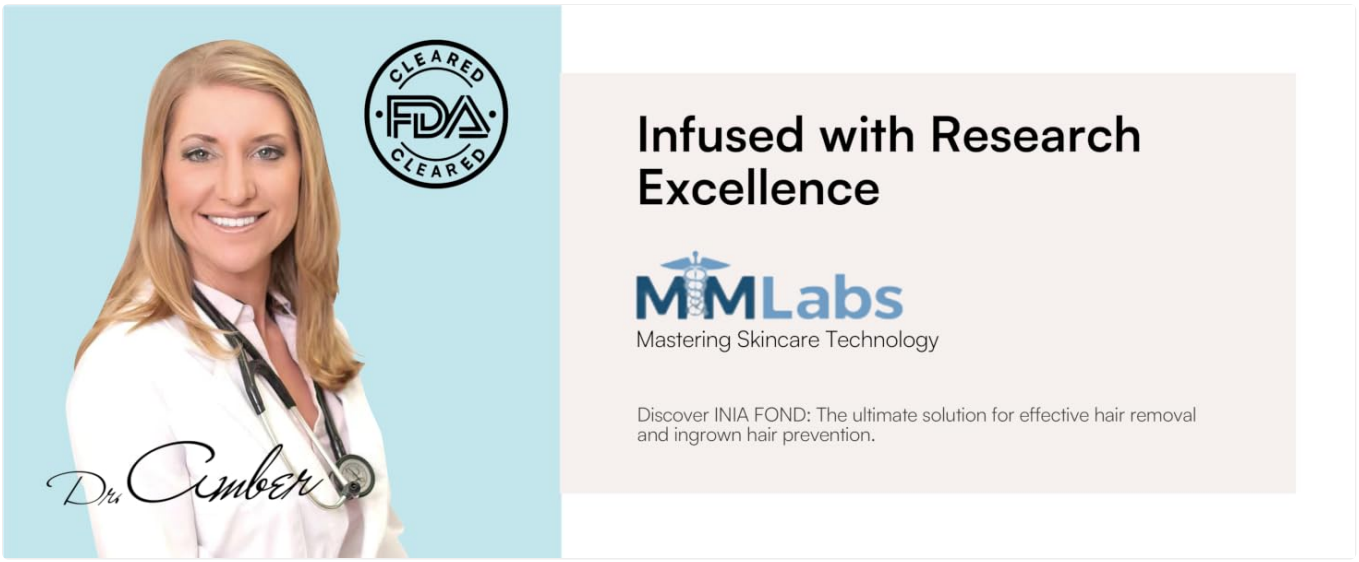

Image: Visual guide showing the four initial steps: Prepare and Shave, Wear Goggles, Plug in to Operate, and Start Hair Removal.

5. Operation

The INIA FOND device offers customized treatment options for different body areas.

5.1 Selecting a Mode:

The device features three specialized modes:

- **Bikini Mode:** Optimized for sensitive areas, typically requiring about 2 minutes per session.
- **Body Mode:** Suitable for larger areas like legs, arms, back, and chest, with sessions around 8 minutes.
- **Face Mode:** Designed for facial hair, such as the upper lip and chin, typically a 2-minute session.

Press the mode selection button to cycle through Bikini, Body, and Face modes. The selected mode will be indicated on the device display.

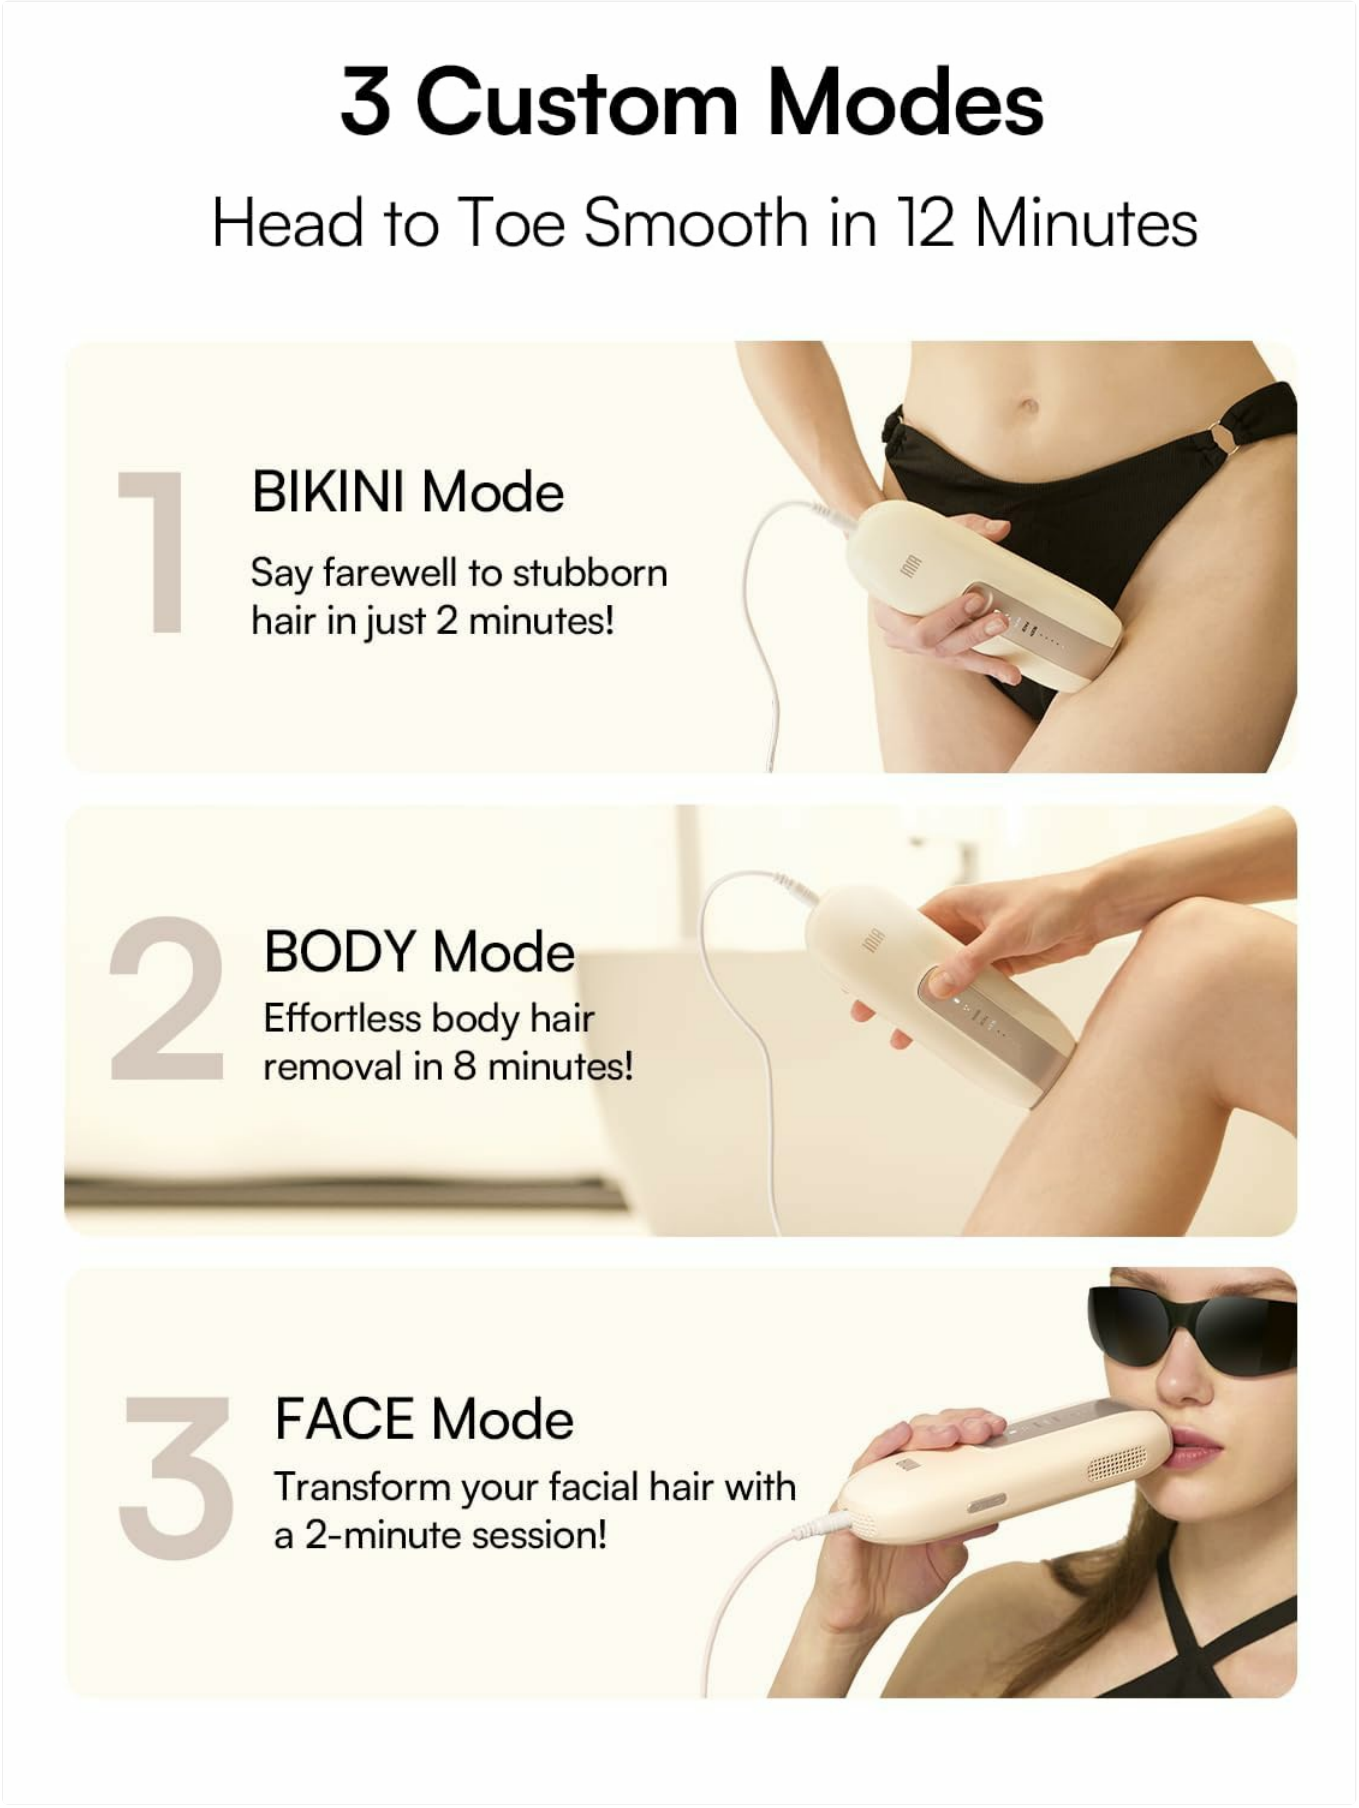

Image: Demonstrates the use of the device in Bikini, Body, and Face modes on different body parts.

5.2 Adjusting Intensity Levels:

The device has 5 adjustable intensity levels. For first-time users, it is recommended to start at Level 1 and gradually increase as your skin tolerates it. Adjust the intensity using the dedicated buttons on the device.

5.3 Treatment Application:

Place the device's treatment window firmly against your skin. The skin contact sensor ensures the device will only flash when properly positioned. Press the flash button to emit a pulse. For continuous treatment, use the Auto-Glide Mode by holding down the flash button, allowing for faster application across larger areas.

5.4 Recommended Treatment Schedule:

Consistency is key for optimal results. Follow this general schedule:

- **Weeks 1-4:** Treat 3 times per week.
- **Weeks 5-8:** Treat 2 times per week.
- **Weeks 8+:** Treat once every fortnight or as needed for maintenance.

Individual results may vary. Significant hair reduction can be observed after 12 weekly sessions.

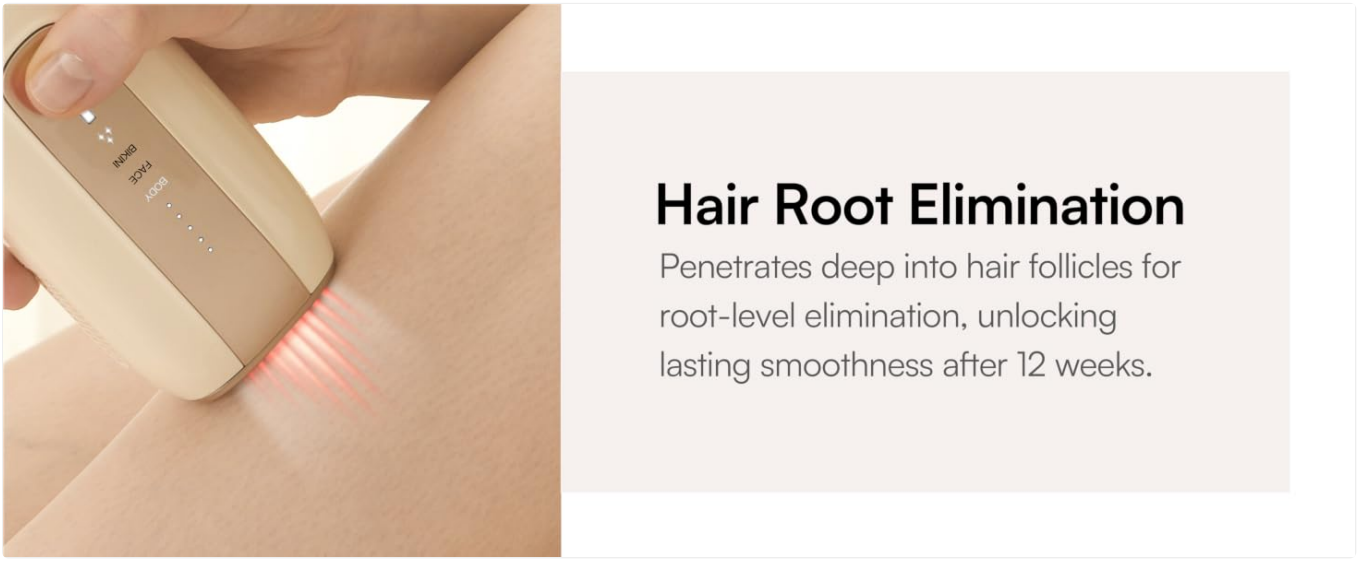

Image: Before and after comparison of underarm and leg hair, demonstrating visible hair reduction after 4 weeks of consistent use.

5.5 Applicable Body Areas:

The INIA FOND device can be used on various body parts for both women and men, including:

- **Women:** Upper Lip and Chin, Underarms, Stomach, Arms, Bikini Line, Legs.
- **Men:** Below the Shoulders on Chest, Back, Arms, Stomach, Legs.

Where can I use the INIA FOND?

6. Maintenance and Care

Proper maintenance ensures the longevity and effectiveness of your device.

- **Cleaning:** After each use, ensure the device is unplugged and cooled down. Gently wipe the treatment window with a soft, dry, lint-free cloth. Do not use abrasive cleaners or immerse the device in water.
- **Storage:** Store the device in a cool, dry place, away from direct sunlight and moisture. Keep it out of reach of children.
- **Inspection:** Regularly inspect the device and power cord for any signs of damage. If any damage is found, discontinue use and contact customer support.

7. Troubleshooting

If you encounter any issues with your INIA FOND device, please refer to the following common solutions:

Problem	Possible Cause	Solution
Device does not turn on	Not properly plugged in; Power outlet issue	Ensure the power adapter is securely connected to the device and a working power outlet.
No flash emitted	Skin contact sensor not activated; Incorrect mode/intensity	Ensure the treatment window is in full contact with the skin. Check that the device is in an active mode and intensity level.
Skin irritation/discomfort	Intensity level too high; Skin not suitable for IPL	Reduce the intensity level. Apply aloe vera gel. Review the 'Skin Tone and Hair Color Suitability Chart'. If irritation persists, discontinue use.
Device feels warm	Normal operation; Prolonged use	It is normal for the device to generate some heat during operation. If it becomes excessively hot, turn it off and allow it to cool down before resuming.

If the problem persists after attempting these solutions, please contact INIA customer support for further assistance.

8. Specifications

- **Model Number:** D-1198
- **Product Dimensions:** 1 x 2 x 5 inches
- **Item Weight:** 1.98 Pounds
- **UPC:** 198715934380
- **Manufacturer:** INIA
- **Maximum Energy:** 16.5J

9. Warranty and Support

INIA is committed to providing high-quality products and customer satisfaction.

- **Standard Warranty:** The device comes with a 1-year warranty from the date of purchase.
