ENJBRICK 1040

ENJBRICK Kevin Bird Building Set Instruction Manual

Model: 1040

Introduction

Thank you for choosing the ENJBRICK Kevin Bird Building Set. This manual provides detailed instructions for assembling, operating, maintaining, and troubleshooting your new building set. Please read all instructions carefully before beginning assembly to ensure a smooth and enjoyable building experience.

Safety Information

WARNING: CHOKING HAZARD - Small Parts.
This product contains small parts and is not suitable for children under 3 years of age. Keep all building blocks and packaging materials away from infants and young children to prevent choking. Adult supervision is recommended during assembly, especially for younger builders.

Package Contents

Before you begin, please verify that all components are present. The ENJBRICK Kevin Bird Building Set (Model 1040) includes:

- 602 Building Blocks (sorted into numbered bags)
- 1 Instruction Manual

If any parts are missing or damaged, please contact customer support for assistance.

Setup and Assembly Instructions

Follow these step-by-step instructions to assemble your ENJBRICK Kevin Bird Building Set. The building process is divided into 3 main steps, with blocks organized in numbered bags corresponding to each step.

Step 1: Prepare Your Workspace

Clear a well-lit, flat surface for assembly. Ensure you have enough space to lay out the building blocks and instruction manual. Open the numbered bags one at a time as instructed.

Step 2: Follow the Detailed Instruction Manual

The included instruction manual provides visual, step-by-step guidance for assembling the Kevin Bird and the mini Up House. Each step clearly indicates which pieces are needed and how they connect.

Operating Instructions

This ENJBRICK building set is designed for display and imaginative play. Once assembled, the Kevin Bird and mini Up House models can be placed on any flat surface. The Kevin Bird model features a stable base for upright display.

Display and Interaction

- **Display:** Position the assembled models on a shelf, desk, or display case. The Kevin Bird is designed to stand independently.
- **Play:** Engage in imaginative play with the models. Handle with care to avoid accidental disassembly.

Maintenance

To ensure the longevity and appearance of your ENJBRICK Kevin Bird Building Set, follow these simple maintenance guidelines:

- **Cleaning:** Dust the models regularly with a soft, dry cloth or a soft brush. For more thorough cleaning, gently wipe with a damp cloth and mild soap, then dry immediately. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the assembled models in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the models carefully to prevent pieces from detaching. If a piece comes loose, reattach it according to the instruction manual.

Troubleshooting

If you encounter any issues during assembly or with the completed model, refer to the following common solutions:

Problem	Possible Cause	Solution
Missing pieces	Packaging error or accidental loss during unboxing.	Carefully check all packaging materials. If still missing, contact ENJBRICK customer support.
Difficulty connecting pieces	Incorrect piece orientation or misalignment.	Refer to the instruction manual to ensure correct piece selection and orientation. Apply gentle, firm pressure.
Model is unstable or wobbly	Pieces not fully pressed together or incorrect assembly step.	Review the relevant assembly steps in the manual. Ensure all connections are tight and secure.
Instructions are unclear	Visual interpretation difficulty.	Examine the images closely. If available, refer to online assembly videos or contact support for clarification.
