aiwa AT-ITAG100 Compatible Bluetooth Tracker

**Thank you for purchasing AT-ITAG100**

This is your assurance of quality, performance, and value. Our engineers have included many useful and convenient features in this product. Please be sure to read this instruction Manual completely to make sure you are getting the maximum benefit from each feature. This product was manufactured using the highest quality components and standards of workmanship. It was tested by inspectors and found to be in perfect working order before it left our factory.

**IMPORTANT**

Please read these safety instructions before using the device.

**Safety instructions**

The safety instructions and the user manual should be kept for future reference.

1. Do not use this appliance near water.
2. By static electricity avoid using this product in extremely dry environments.
3. Place this product and its accessories somewhere out of the reach of children.
4. This product contains a button battery. Do not swallow it, as it can lead to severe internal chemical burns in just 2 hours and death in severe cases. Keep the original packaging. Call a local poison control center for information about treatment.
5. If the battery compartment does not close properly, stop using the product and keep it away from children.
6. Dispose of used button batteries.
7. This product contains components that emit electromagnetic fields. Consult your doctor before use. These electromagnetic fields and magnets can interfere with pacemakers, defibrillators, or other medical devices. If you suspect that it is interfering with your pacemaker, defibrillator, or any other medical device, stop using it.

8. You should use only the supplied cable to connect the device. Use only the accessories specified by the manufacturer.
9. Protect the power cord from being stepped on or crushed.
10. When connected, the cable should always be easily accessible.
11. Unplug the appliance during thunderstorms or when not in use for a long time.
12. Do not store it near heat sources.
13. The device is designed for use only in a temperate climate.
14. The unit should not be exposed to excessive heat, such as the sun, fire, or the like.
15. Do not expose the unit to strong magnetic or electronic interference.
16. Cleaning:- Do not use liquid or aerosol cleaners. – Clean only with a dry cloth.
17. Do not attempt to repair this product yourself. Opening or removing covers that are not exposed in the quick start guide may damage the unit. Damage that needs to be repaired should be referred to qualified service personnel.
18. The software, sound sources, wallpapers, images, and other multimedia elements included with this device are licensed for limited use. Extracting and using these materials for commercial or other purposes is an infringement of
19. copyright laws. Users are fully responsible for the illegal use of multimedia elements.
20. The default applications included with the device are subject to updates and may become unsupported without notice.e

### **Legal notice**

Use of the Works with Apple badge means that a product has been designed to work specifically with the technology identified in the badge and has been certified by the product manufacturer to meet Apple Find My network product specifications and requirements. Apple is not responsible for the operation of this device or use of this product or its compliance with safety and regulatory standards.

### **Credit line**

Apple, Apple Find My, Apple Watch, Find My, iPhone, iPad, iPadOS, Mac, macOS and watchOS are trademarks of Apple Inc. IOS is a trademark or registered trademark of Cisco in the U.S. and other countries and is used under license.

### **Compatibility Statement**

To use the Apple Find My app to locate this item, the latest version of iOS, iPadOS, or macOS is recommended. The packaging needs to be destroyed by relevant local laws and regulations on waste disposal. Cartons and paper need to be sorted as recyclable paper and platinum as a recyclable resource (potential recycling resource). When the crossed-out wheeled bin symbol is attached to a product, it means the product is covered by the European Directive 2012/19/EC. All electrical and electronic products including batteries should be disposed of separately from the municipal waste stream via designated collection facilities appointed by the government or the local authorities. The correct disposal of your old appliance will help prevent potential negative consequences for the environment and human health.

### **SPECIFICATIONS**

- MODEL: AT-ITAG100
- Size 36x36x7.8 mm/1.42x1.42x0.31 inch
- Weight 11g / 0.39 oz
- Battery CR2032 (Replaceable)

- Voltage DC 3V
- Current  $\leq 5\mu\text{A}$ (Standby) /  $\leq 10\text{mA}$ (Max)
- Wireless BLE 5.1
- Wireless range  $\geq 40\text{m}$ (Line-of-sight)
- Buzzer Built-in  $\geq 75\text{db}$  (in 10cm)
- Temperature range:-  $5^{\circ}\text{C}$  —  $45^{\circ}\text{C}$  ( $23^{\circ}\text{F}$  —  $113^{\circ}\text{F}$ )
- Humidity range:  $\leq 95\%$  (Non-condensing)

Due to continual revision and improvement of our products, design, and specifications are subject to change without further notice.
