ENJBRICK Flowers City Jazz Club Building Set

Model: 1044

Instruction Manual

1. Introduction

Thank you for choosing the ENJBRICK Flowers City Jazz Club Building Set. This manual provides essential information for the assembly, use, and maintenance of your building set. Please read these instructions carefully before beginning assembly to ensure a smooth and enjoyable building experience.

Safety Information

- This product contains small parts. Keep away from children under three years old to prevent choking hazards.
- Adult supervision is recommended during assembly, especially for younger builders.
- Do not expose the building blocks to extreme temperatures or direct sunlight for prolonged periods, as this may cause deformation or discoloration.

2. What's in the Box

Your ENJBRICK Flowers City Jazz Club Building Set includes the following components:

- Instruction Manual
- Building Blocks (1683 pieces, sorted into numbered bags)

The set is packaged with numbered bags to facilitate the building process. Refer to the instruction manual for the correct sequence of opening bags.

5. Operating Instructions

While this is a static building set, its design allows for interactive play and display:

- **Display:** Position the assembled Jazz Club in a prominent location to showcase its intricate details.
- **Interior Access:** Utilize the detachable floors to access and rearrange interior elements or characters (not included).
- **Lighting (if applicable):** If your set includes an optional lighting kit (sold separately or integrated), follow its

specific instructions for installation and operation to illuminate the building.

6. Maintenance

To ensure the longevity and appearance of your ENJBRICK Flowers City Jazz Club Building Set, follow these maintenance guidelines:

- **Cleaning:** Gently wipe the assembled model with a soft, dry cloth to remove dust. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the building set in a cool, dry place away from direct sunlight and extreme temperatures. If disassembling for storage, keep all pieces organized to prevent loss.
- **Handling:** Handle the model with care to prevent pieces from detaching or breaking.

7. Troubleshooting

If you encounter any issues during assembly or with the completed model, consider the following:

- **Missing Pieces:** Carefully check all packaging and bags. If a piece is genuinely missing, please contact customer support with details of the missing part (as identified in the instruction manual).
- **Unstable Connections:** Ensure that all blocks are firmly pressed together. Refer to the instruction manual to verify correct placement and orientation of pieces. Some sections, particularly upper floors, may require careful alignment.
- **Sticker Application Issues:** If stickers are difficult to apply or do not adhere properly, ensure the surface is clean and dry. For best results, apply stickers once and avoid repositioning them multiple times.

For further assistance, please refer to the 'Warranty and Support' section.
