NATERIAL Orion Beta II

NATERIAL Orion Beta II Chairs User Manual

Model: Orion Beta II

Introduction

Thank you for choosing the NATERIAL Orion Beta II chairs. This manual provides essential information for the safe and effective use, maintenance, and care of your new chairs. Please read this manual thoroughly before using the product and retain it for future reference.
The Orion Beta II chairs are designed for both indoor and outdoor use, featuring a robust aluminum frame and comfortable textilene seating with quick-dry foam padding. Their lightweight and stackable design offers versatility and convenience.

Safety Information

- Ensure chairs are placed on a stable, level surface to prevent tipping.
- Do not exceed the maximum weight capacity of 160 kg (approximately 352 lbs).
- Keep chairs away from open flames or extreme heat sources.
- Regularly inspect the chairs for any signs of damage or wear. Do not use if damaged.
- Supervise children when they are near or using the chairs.

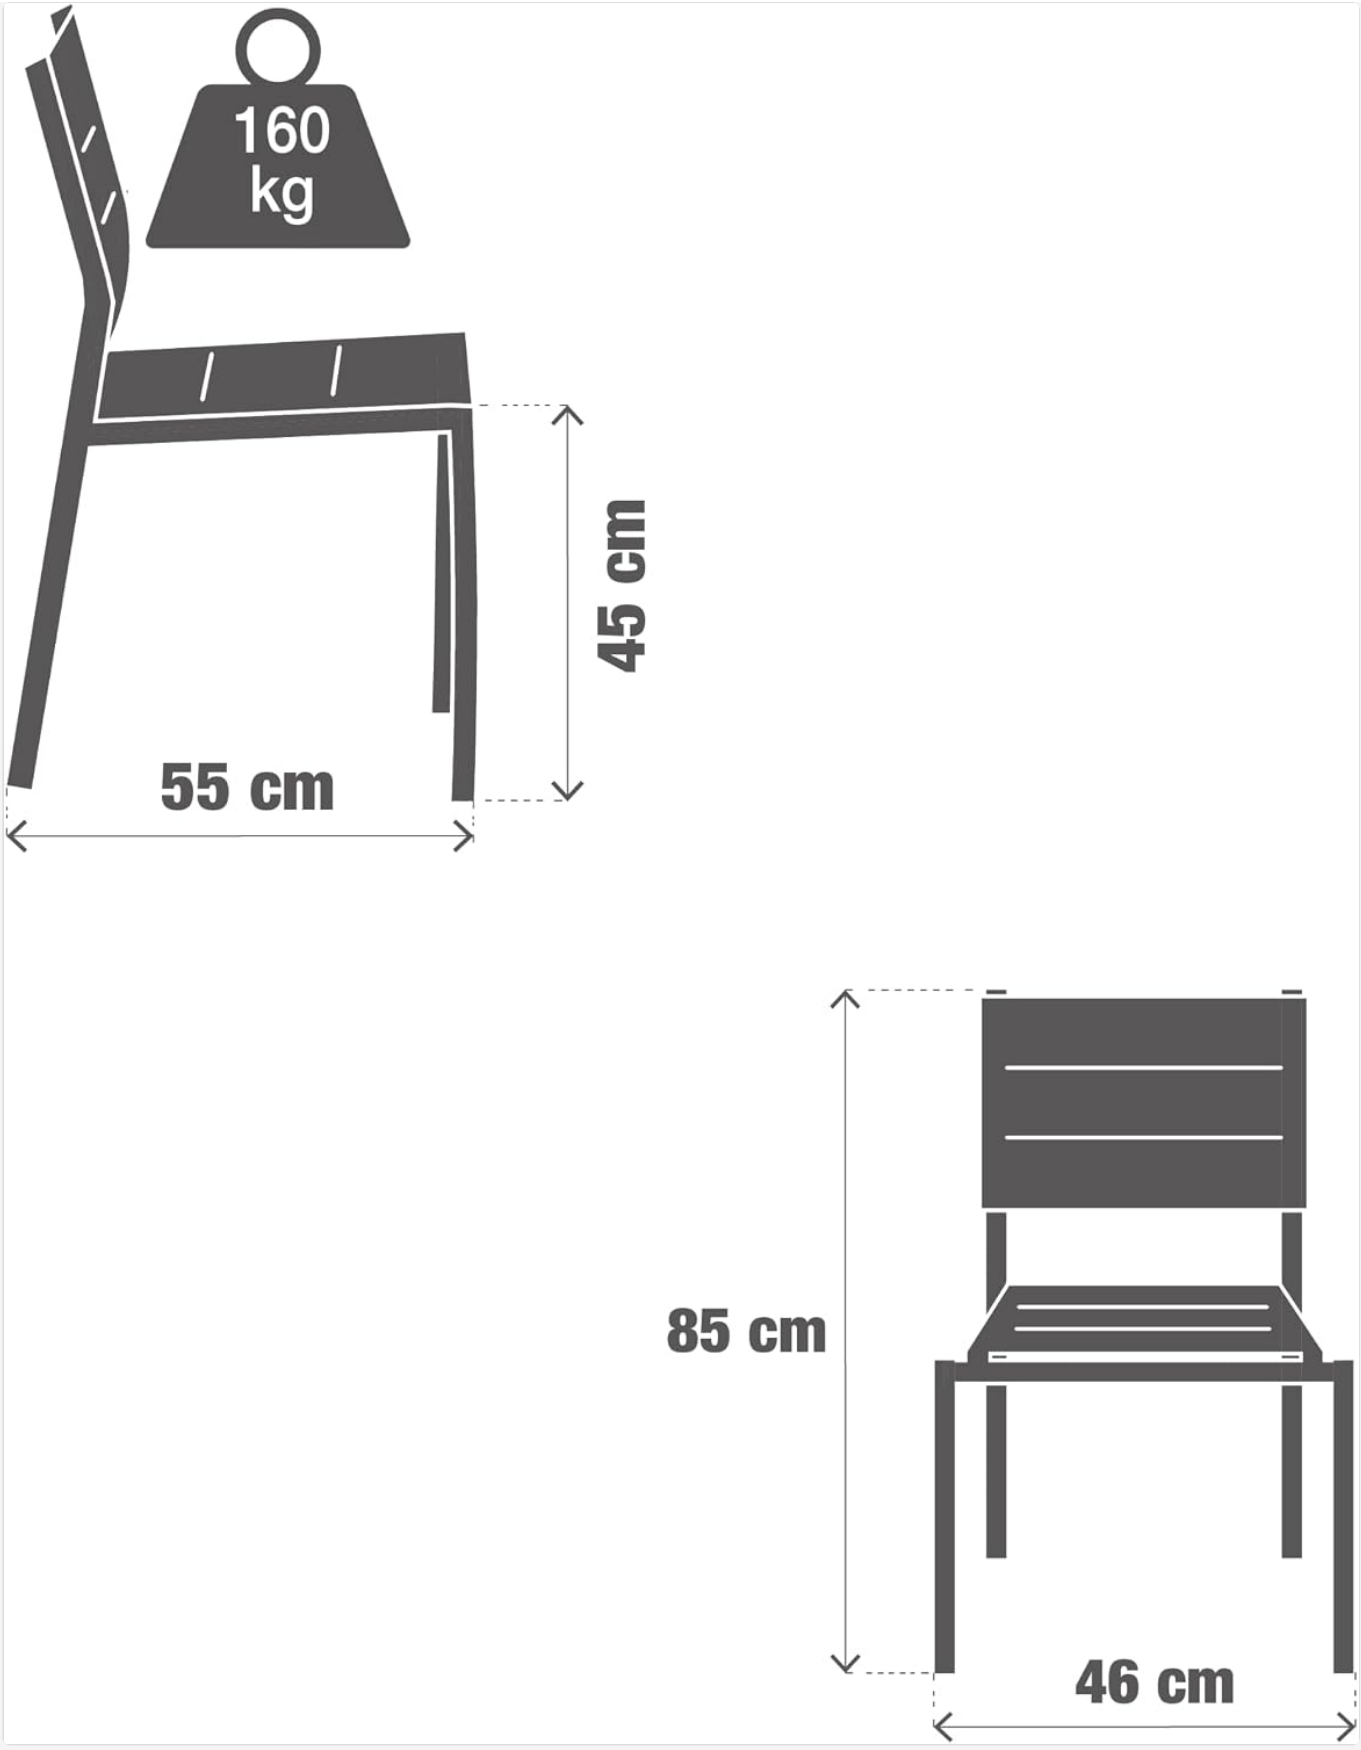

Figure 1: Chair Dimensions and Weight Capacity. The diagram indicates a maximum load capacity of 160 kg (approximately 352 lbs). Dimensions are 85 cm height, 55 cm width, and 45 cm depth.

Setup

The NATERIAL Orion Beta II chairs are delivered fully assembled. No complex setup is required.

1. Carefully remove the chairs from their packaging.

2. Inspect each chair for any shipping damage.
3. Place the chairs in your desired location, ensuring the surface is flat and stable.

Operating Instructions

The Orion Beta II chairs are versatile and can be used in various settings:

- **Dining:** Ideal for dining areas, both indoors and outdoors.
- **Relaxation:** Suitable for patios, balconies, terraces, gardens, or even beach settings.
- **Stacking:** For convenient storage, these chairs are designed to be stackable. Carefully lift and place one chair on top of another, aligning the frames to ensure stability.

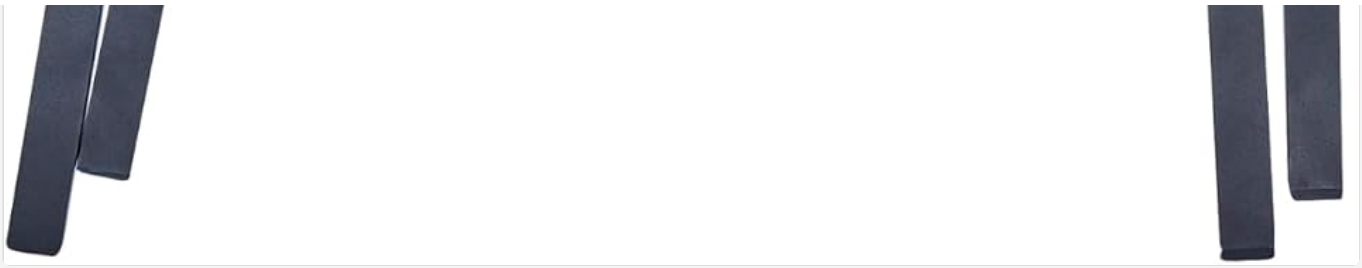

Figure 3: Stackable Design. The chairs can be stacked to save space when not in use.

Figure 4: Outdoor Use. The chairs are suitable for various outdoor environments.

Maintenance and Care

Proper maintenance will extend the life and appearance of your NATERIAL Orion Beta II chairs.

- **Cleaning:** The textilene covering is easy to clean. Use a soft cloth with mild soap and water. Rinse thoroughly and allow to air dry. Avoid harsh chemicals or abrasive cleaners.

- **Frame Care:** The aluminum frame is designed to resist rust and degradation. Clean with a damp cloth. For stubborn dirt, use a mild detergent.
- **Storage:** When not in use for extended periods, especially during harsh weather conditions, it is recommended to store the chairs indoors or cover them to protect them from elements. Their stackable nature makes storage convenient.
- **Inspection:** Periodically check the chair's integrity for any signs of damage or wear.

Figure 5: Key Features for Maintenance. The chairs are easy to clean, lightweight, feature a comfortable textilene covering, are stackable, and have a rust-resistant aluminum structure.

Troubleshooting

Most issues with the Orion Beta II chairs can be resolved with simple checks.

- **Chair Wobbles:** Ensure the chair is on a flat, even surface. Check if any debris is caught under the legs.
- **Unusual Noises:** Inspect the frame for any loose components or foreign objects.
- **Stains on Fabric:** Refer to the cleaning instructions in the Maintenance section. Act quickly on spills.

If you encounter persistent issues not covered here, please contact customer support.
