5. Maintenance

To maintain the appearance and longevity of your VEVOR flower stand, follow these simple guidelines:

- **Cleaning:** Wipe the surface with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the French gold electroplating.
- **Storage:** When not in use, disassemble the stand and store it in its original packaging or a protective container to prevent scratches and damage.
- **Inspection:** Periodically check all connections and screws to ensure they remain tight and secure.

6. Troubleshooting

If you encounter any issues during assembly or use, please review the assembly steps carefully. Ensure all rods are correctly aligned and screws are tightened. If problems persist, contact VEVOR customer support for assistance.
