Ultenic Pooleco 10

Ultenic Robotic Pool Cleaner

Pooleco 10 Instruction Manual

Model: Pooleco 10

Introduction

The Ultenic Pooleco 10 is an advanced robotic pool cleaner designed to provide effortless and efficient cleaning for both above-ground and in-ground pools. Featuring a cordless design, powerful dual-motor suction, and intelligent self-parking capabilities, it simplifies pool maintenance, allowing you to enjoy a pristine swimming environment with minimal effort.

Setup Guide

Follow these steps to prepare your Ultenic Pooleco 10 for its first use:

1. **Charge the Device:** Connect the cleaner to its charger and allow it to fully charge for approximately 2.5 hours. The intuitive display will indicate charging status.

Figure 2: Charging the Pooleco 10

2. **Place in Pool:** Once charged, carefully place the device into your pool. Ensure it is fully submerged.
3. **Activate Cleaning:** Simply click the knob on the cleaner to quickly start the cleaning cycle.

Operating Instructions

The Ultenic Pooleco 10 operates with smart automation, making pool cleaning effortless. After activation, the cleaner will autonomously navigate your pool, collecting debris. It is equipped with two large suction doors and a bottom brush to effectively capture leaves, dirt, and sand.

Figure 3: Smart Automation for Effortless Cleaning

The cleaner features an auto-parking function. When the battery level is low or a cleaning cycle is completed, the Pooleco 10 will automatically return to the poolside for easy retrieval. A floating ball attached to the cleaner further aids in convenient lifting from the water.

Maintenance

Regular maintenance ensures optimal performance and longevity of your Pooleco 10. The filter tray is designed for easy

cleaning.

- **Filter Tray Cleaning:** After each use, simply remove the top cover of the cleaner and take out the filter tray. Rinse the filter thoroughly with a hose to remove all collected debris.

Product Features

Cordless Design & Premium Performance

The Pooleco 10 is completely cordless, eliminating the hassle of tangled hoses and cords. Its dual-motor system delivers powerful 30 GPM suction and filtration, efficiently removing bugs, leaves, pine needles, dirt, and other debris to maintain a clean and safe pool.

Figure 8: Cordless Convenience

Powerful Dual-Motor Suction

Equipped with two powerful motors, the Pooleco 10 ensures thorough cleaning by providing strong suction to pick up even fine particles from the pool floor.

Figure 9: Dual-Motor Power

Extended Runtime & Fast Charging

The cleaner features a 5200mAh rechargeable battery, offering up to 90 minutes of cleaning time on a single 2.5-hour charge. This makes it ideal for pools up to 850 square feet (10 feet in length).

Specifications

Feature	Detail
Brand	Ultenic
Model Name	Pooleco 10
Power Source	Battery Powered
Item Weight	7.17 Pounds (3.25 kg)
Product Dimensions	12.98"L x 6.53"W x 12.63"H (32.97 x 16.59 x 32.08 cm)
Special Feature	Portable

Control Method	Touch
Battery Type	1 Lithium Ion battery (included)
Battery Energy Content	47 Watt Hours
Charging Time	2.5 Hours (approx.)
Runtime	Up to 90 minutes
Max Cleaning Area	Up to 850 sq.ft.
Material	Plastic
Color	Gray

Troubleshooting

If you encounter any issues with your Ultenic Pooleco 10, please refer to the following common solutions:

- **Cleaner Not Moving:** Ensure the device is fully charged. Check for any large debris obstructing the wheels or suction ports.
- **Reduced Suction Power:** Clean the filter tray thoroughly. A clogged filter can significantly reduce suction efficiency.
- **Cleaner Not Parking at Poolside:** Ensure the pool area is clear of obstructions. If the battery is critically low, it might stop before reaching the exact poolside.
- **Short Runtime:** Verify the device is fully charged before use. Battery performance can be affected by extreme temperatures.

For persistent issues, please contact customer support.

Warranty and Support

The Ultenic Pooleco 10 comes with a limited warranty. Please refer to the warranty card included in your product packaging for specific terms and conditions.
For any questions, technical assistance, or warranty claims, please reach out to Ultenic customer support. Contact information can typically be found on the official Ultenic website or within your product documentation.
