Keonjinn B0CR6PDG3Y

Keonjinn 24 Inch Round Medicine Cabinet Instruction Manual

Model: B0CR6PDG3Y

1. Introduction

This manual provides essential information for the safe and proper installation, operation, and maintenance of your Keonjinn 24 Inch Round Medicine Cabinet. Please read all instructions carefully before beginning installation and retain this manual for future reference.

The Keonjinn Round Medicine Cabinet features a durable metal frame, a shatterproof mirror, and customizable interior storage with detachable shelves. It is designed for surface mounting only and offers a smooth door operation with magnetic bumpers.

2. Safety Instructions

WARNING: Follow all safety instructions provided by the manufacturer during installation and use.

- Assembly requires two or more adults.
- Ensure that the mounting location (e.g., solid wood, brick wall, concrete block, drywall) can support the weight of the entire product (Net Weight: 15.65 LB).
- Wear appropriate safety gear, such as safety goggles, during installation.
- Handle the mirror with care to prevent damage or injury.
- Do not attempt recessed installation; this product is designed for surface mounting only.

3. Package Contents

Verify that all components are present before beginning installation:

- Round Medicine Cabinet with Mirror
- Detachable Shelves (2)
- Installation Hardware (screws, wall anchors, level)
- Screw Head Covers

4. Installation Tools

The following tools are recommended for installation:

- Electric Drill
- Hammer
- Marker Pen
- Tape Measure
- Level
- Phillips Screwdriver
- Safety Goggles

5. Setup and Installation

This medicine cabinet is designed for surface mounting only. Recessed installation is not supported.

5.1 Wall Type and Anchor Selection

Ensure your wall can support the cabinet's weight. Refer to the table below for recommended drill bits and anchors based on wall thickness.

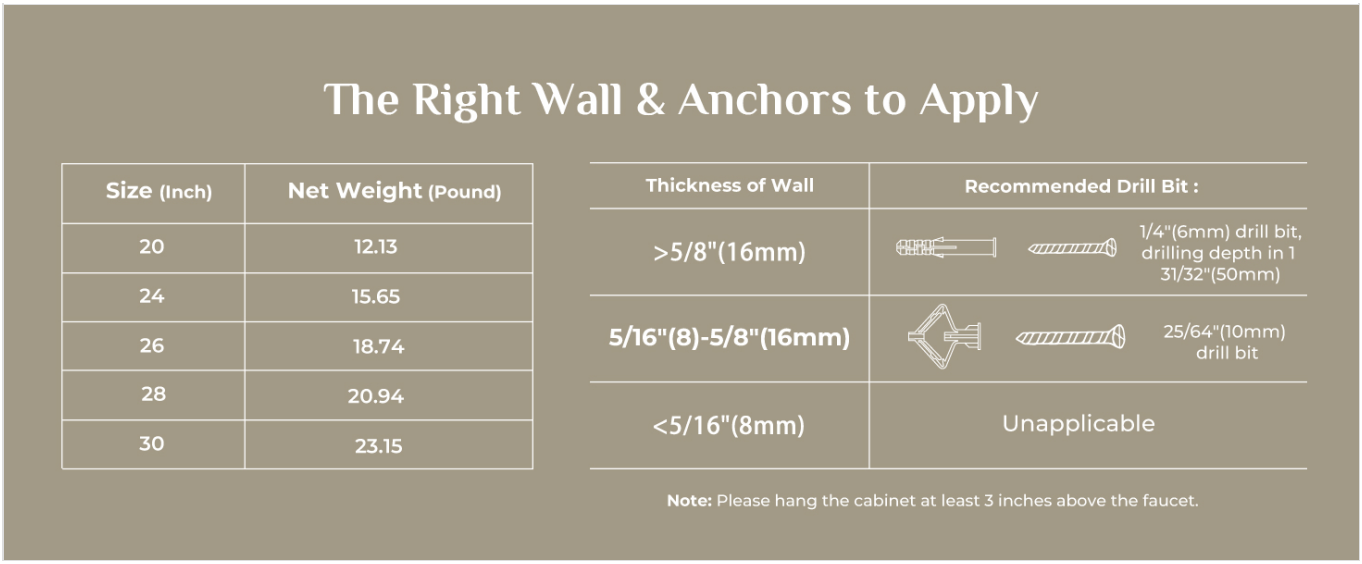

Image: Wall thickness and recommended anchors for installation.

The cabinet can be installed on various wall types, including drywall, brick, concrete block, and wood paneling.

Image: Applicable wall types for mounting.

5.2 Installation Steps

1. **Mark Drilling Spots:** Place the medicine cabinet against the wall at the desired height and location. Use a marker pen to mark the spots for drilling through the pre-drilled holes on the cabinet's back. Ensure the cabinet is at least 3 inches above the faucet.
2. **Drill Holes and Insert Anchors:** Drill at the marked spots using the recommended drill bit for your wall type. Insert the appropriate wall anchors into the drilled holes.
3. **Secure Cabinet:** With the help of another person, lift the medicine cabinet and align it to the screw holes. Secure the cabinet to the wall with four screws. Apply the provided stickers to cover the screw heads for a clean finish.

5.3 Door Swing Reversibility

The medicine cabinet can be installed to open either to the left or to the right, depending on your preference and bathroom layout.

6. Operation and Features

6.1 Customizable Storage

The interior of the medicine cabinet includes detachable shelves and dividers, allowing you to adjust the layout to suit your storage needs. Simply remove or reposition the shelves as desired.

6.2 Smooth Door Operation

The cabinet door is equipped with a piano hinge for smooth operation and even load distribution. Magnetic bumpers ensure the door closes securely and prevents slamming.

6.3 Enhanced Safety

The mirror features shatterproof glass, designed to prevent splintering into dangerous shards if broken, prioritizing user safety.

Image: Shatterproof design for safer use.

7. Maintenance

To maintain the appearance and functionality of your medicine cabinet:

- Clean the mirror surface with a soft, lint-free cloth and a non-abrasive glass cleaner.
- Wipe the metal frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- Regularly check all mounting screws to ensure they are tight.
- The metal construction is moisture-proof and rust-resistant, but avoid prolonged exposure to excessive moisture.

8. Troubleshooting

If you encounter any issues with your Keonjinn medicine cabinet, please refer to the following:

- **Loose Door:** Check the hinge screws and tighten if necessary.
- **Door Not Closing Properly:** Ensure the magnetic bumpers are clean and free from obstructions. Verify the cabinet is mounted level.
- **Wobbly Cabinet:** Re-check all mounting screws and wall anchors for tightness. Ensure the wall material is suitable for the installation.

For further assistance, please contact Keonjinn customer service.

9. Specifications

Feature	Detail
Brand	Keonjinn
