ZEYUMEE RM

ZEYUMEE Bone Conduction Headphones User Manual

Model: RM

1. Introduction

Thank you for choosing the ZEYUMEE Bone Conduction Headphones. These open-ear wireless Bluetooth 5.3 headphones are designed for comfort and safety during various activities such as sports, running, hiking, and cycling. They feature a lightweight, waterproof design with a long battery life and integrated microphones for clear communication.

2. Product Features

- **Open-Ear Design:** Ensures awareness of surroundings for enhanced safety during outdoor activities.
- **Bone Conduction Technology:** Delivers audio through cheekbones, leaving ears open.
- **Bluetooth 5.3:** Provides stable and fast wireless connectivity up to 10 meters.
- **Long Playtime:** Up to 20 hours of continuous audio playback on a single charge.
- **Waterproof (IP55):** Resistant to sweat and light rain, suitable for workouts and outdoor use.
- **Integrated Microphones:** For clear hands-free calls.
- **Lightweight & Comfortable:** Weighing 4.2 ounces (approx. 119g), with an ergonomic design and soft silicone pads for extended wear.
- **Touch Control:** Intuitive controls for media playback and call management.
- **Fast Charging:** Fully charges in approximately 2 hours.

3. Package Contents

Please check the package for the following items:

1. Bone Conduction Headphones
2. Type-C Quick Charging Cable
3. User Manual (this document)
4. A Pair of Silicone Earplugs & Case

Image: An illustration showing all items included in the product package: the headphones, a Type-C charging cable, the user manual, and a pair of silicone earplugs with their case.

4. Setup Guide

4.1 Charging the Headphones

Before first use, fully charge your headphones. Connect the provided Type-C charging cable to the charging port on the headphones and plug the other end into a USB power source (e.g., computer, wall adapter). The indicator light will show charging status and turn off or change color when fully charged. A full charge takes approximately 2 hours.

Image: A visual emphasizing the 20-hour playtime, 460mAh battery capacity, 1-2 hour charging time, and fast charging capability of the headphones.

4.2 Bluetooth Pairing

1. Ensure the headphones are turned off.
2. Press and hold the power button until the indicator light flashes red and blue, indicating pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
4. Select "ZEYUMEE RM" (or similar model name) from the list of devices.
5. Once connected, the indicator light will turn solid blue or off, and you will hear a confirmation tone.

The headphones will automatically reconnect to the last paired device when turned on, if it is within range (up to 10 meters).

5. Operating Instructions

5.1 Power On/Off

- **Power On:** Press and hold the power button for 3 seconds until the indicator light flashes blue and you hear a power-on prompt.
- **Power Off:** Press and hold the power button for 5 seconds until the indicator light flashes red and you hear a power-off prompt.

5.2 Music Playback

- **Play/Pause:** Single tap the multi-function button.
- **Next Track:** Double tap the multi-function button.
- **Previous Track:** Triple tap the multi-function button.
- **Volume Up:** Single tap the Volume + button.
- **Volume Down:** Single tap the Volume - button.

5.3 Call Management

- **Answer/End Call:** Single tap the multi-function button during an incoming call or active call.
- **Reject Call:** Press and hold the multi-function button for 2 seconds during an incoming call.
- **Activate Voice Assistant:** Press and hold the multi-function button for 2 seconds when not on a call.

6. Maintenance and Care

- **Cleaning:** Wipe the headphones with a soft, damp cloth. Do not use harsh chemicals or abrasive materials.
- **Water Resistance:** The headphones are IP55 waterproof, meaning they are protected against dust and low-pressure water jets from any direction. They are suitable for sweat and light rain but should not be submerged in water. Dry thoroughly after exposure to moisture.
- **Storage:** Store the headphones in a cool, dry place away from direct sunlight and extreme temperatures. Use the provided case for protection when not in use.
- **Battery Life:** To preserve battery life, charge the headphones regularly, even if not used frequently. Avoid fully discharging the battery for extended periods.

7. Troubleshooting

Problem	Possible Cause	Solution
Headphones do not power on.	Low battery.	Charge the headphones fully.
Cannot pair with device.	Headphones not in pairing mode; Device Bluetooth off; Too far from device.	Ensure headphones are in pairing mode (flashing red/blue). Turn device Bluetooth off and on. Move headphones closer to the device (within 10m).
No sound or low volume.	Device volume too low; Headphones volume too low; Not properly connected.	Increase volume on both headphones and connected device. Reconnect Bluetooth.
Sound distortion.	Interference; Out of range.	Move away from other wireless devices. Move closer to the connected device.
