2. Safety Guidelines and Precautions

Your child's safety is paramount. Please read and adhere to all safety instructions before assembly and use.

- **Adult Supervision Required:** Always ensure children are supervised by an adult while using the playground.
- **Age and Weight Limits:** This product is designed for children aged 1 to 6 years. The maximum weight capacity is 150 lbs (68 kg). Do not exceed this limit.
- **Stable Placement:** Place the playground on a flat, stable, and non-slip surface. Ensure adequate clear space around the structure to prevent collisions.
- **Regular Inspection:** Periodically check all bolts, screws, and connections to ensure they are tight and secure. Inspect for any signs of wear or damage to wooden components, ropes, or swings.
- **Material Safety:** The playground is crafted from natural, high-quality wood with rounded edges and a smooth surface to minimize the risk of scratches or scrapes.

4. Assembly Instructions

The Belleur Indoor Playground is designed for straightforward assembly. All necessary accessories and detailed instructions are included in the package.

- **Unpack Components:** Carefully unpack all parts and verify against the included parts list.
- **Follow Manual:** Refer to the step-by-step instruction manual provided with your product for precise assembly guidance.
- **Tool Requirements:** Ensure you have any required tools as specified in the manual (e.g., screwdriver, wrench).
- **Secure Connections:** Tighten all bolts and screws firmly, but do not overtighten to avoid damaging the wood.
- **Safety Check:** After assembly, perform a thorough safety check to ensure all components are correctly installed and secure before allowing children to use the playground.

5. Operating Your Indoor Playground

Encourage children to explore the various features of the playground safely and creatively. Always ensure they understand how to use each component appropriately.

- **Sliding:** Children should slide feet first, one at a time, ensuring the landing area is clear.
- **Climbing:** Encourage children to use both hands and feet when climbing the net, ladder, or rock wall.
- **Swinging:** Ensure the swing is used gently and within the designated area, avoiding excessive swinging that could cause instability.
- **Monkey Bars:** Guide children on proper hand placement and movement across the monkey bars.

6. Care and Maintenance

Proper care will extend the life of your indoor playground and ensure continued safety.

- **Cleaning:** The waterproof surface simplifies daily maintenance. Wipe down the wooden surfaces with a damp cloth and mild soap as needed. Avoid harsh chemicals or abrasive cleaners.
- **Drying:** Ensure all parts are thoroughly dry after cleaning to prevent moisture damage.
- **Storage:** Store the playground in a dry environment away from direct sunlight or extreme temperature fluctuations.
- **Component Check:** Regularly inspect ropes, nets, and swings for fraying, tears, or excessive wear. Replace any damaged components immediately.

7. Troubleshooting

If you encounter any issues with your Belleur Indoor Playground, please refer to the following common solutions:

- **Loose Connections:** If the structure feels wobbly, re-tighten all bolts and screws.
- **Missing Parts:** If any parts were missing upon delivery, contact customer support immediately.
- **Damage During Assembly:** If a component is damaged during assembly, do not attempt to force it. Contact customer support for replacement parts.

For issues not covered here, or if problems persist, please contact Belleur customer support for assistance.
