Siljoy CFL-1152-02

Siljoy 20-inch Gold Crystal Flush Mount Ceiling Fan with Light Instruction Manual

Model: CFL-1152-02

1. Important Safety Information

Please read and understand this entire manual before attempting to assemble, operate, or install the product. Failure to follow these instructions may result in electric shock, fire, or serious personal injury.

- All electrical connections must be in accordance with local codes, ordinances, and the National Electric Code (NEC).
- Consult a qualified electrician if you are unfamiliar with electrical wiring.
- Before installation, disconnect power by turning off the circuit breakers at the main fuse box or circuit breaker panel.
- Ensure the installation site can support the fan's weight (approximately 13.7 lbs).
- Do not operate the fan with damaged wiring or if any parts are missing or damaged.
- This product is designed for indoor use only.

2. Package Contents

Verify that all components listed below are present before beginning installation. If any parts are missing or damaged, contact customer support.

- Ceiling Fan with Light Fixture (Pre-assembled with crystal lampshade)
- Remote Control
- Mounting Hardware (Screws, wire nuts, etc.)
- Instruction Manual

Figure 2.1: Included Components

3. Installation Instructions

3.1 Preparation

- Turn off power at the circuit breaker.
- Ensure the ceiling junction box is securely mounted and capable of supporting the fan's weight.
- The crystal lampshade is pre-installed, eliminating the need for individual crystal hanging.

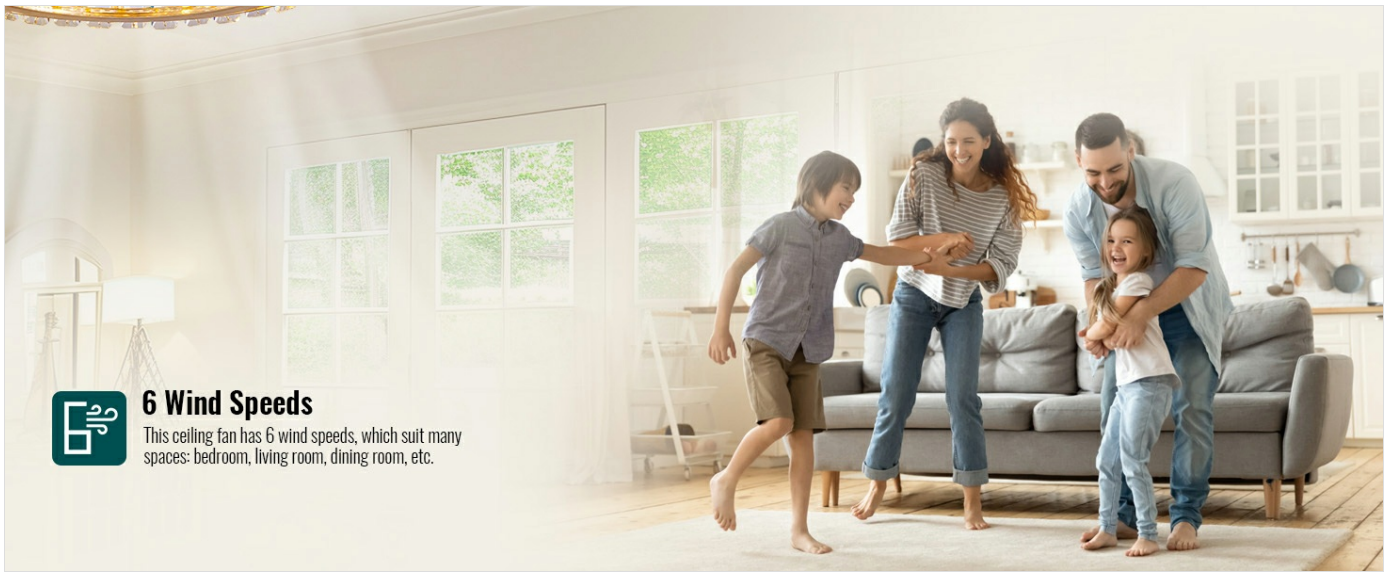

Figure 3.1: Pre-installed Crystal Lampshade

3.2 Mounting the Bracket

1. Attach the mounting bracket to the ceiling junction box using the provided screws and washers. Ensure it is firmly secured.

Figure 3.2: Mounting Bracket Installation

3.3 Wiring Connections

1. Connect the household supply wires to the fan wires according to the wiring diagram. Typically, black to black (live), white to white (neutral), and green/bare copper to green (ground).
2. Secure connections with wire nuts.
3. Carefully tuck all wires into the junction box.

Figure 3.3: Electrical Wiring Diagram

3.4 Attaching the Fan Body

1. Lift the fan body and align it with the mounting bracket. Secure the fan body to the bracket using the designated screws.
2. Ensure all connections are tight and the fan is stable.

Note: This fan requires 6 x E12 LED bulbs (not included). For optimal performance and color-changing features, use smart E12 LED bulbs.

4. Operating Instructions

The Siljoy ceiling fan is controlled via the included remote control. Ensure batteries are installed correctly in the remote.

Figure 4.1: Remote Control Layout

4.1 Fan Functions

- **Power On/Off:** Press the fan button to turn the fan on or off.
- **Speed Control:** Use the speed buttons (1-6) to adjust the fan speed.
- **Reverse Mode:** Press the 'F/R' button to switch between forward (summer) and reverse (winter) modes. Forward mode creates a downward airflow for cooling, while reverse mode circulates warm air upwards.

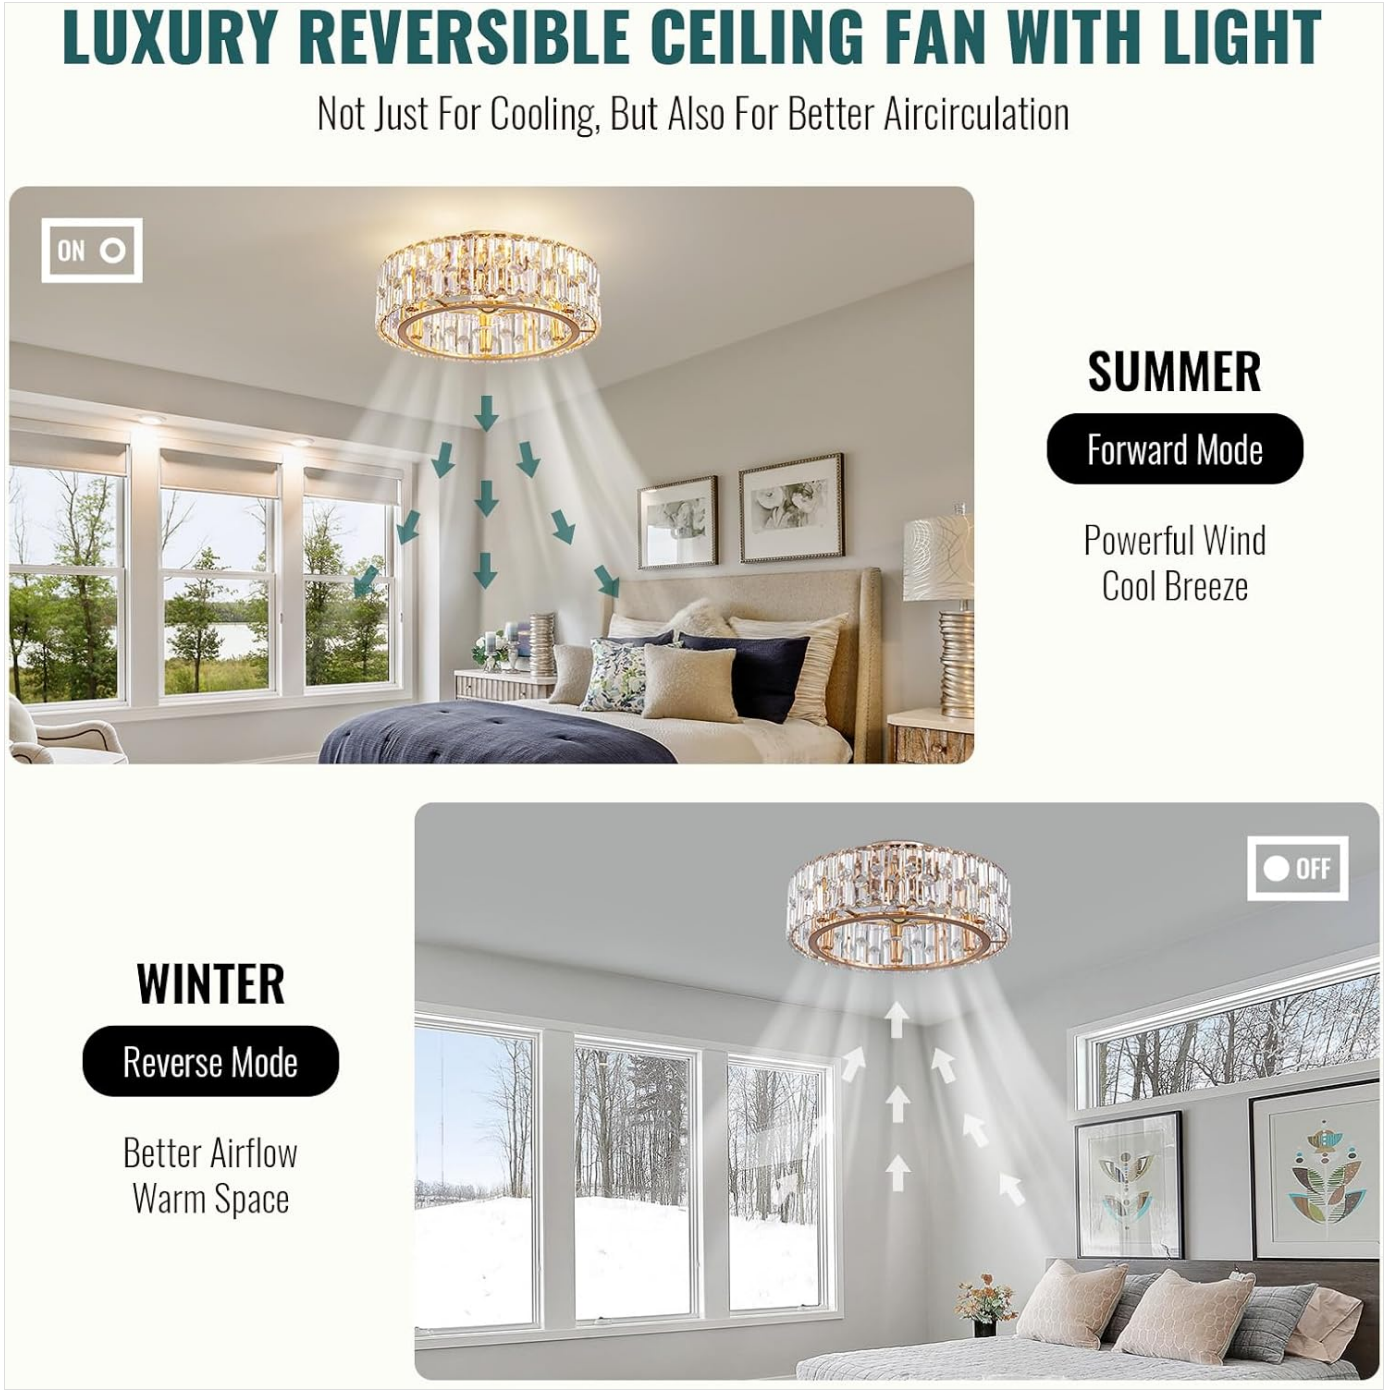

Figure 4.2: Reversible Fan Function

4.2 Light Functions

- **Light On/Off:** Press the light button to turn the light on or off.
- **Brightness Adjustment:** Use the dimming buttons to increase or decrease light brightness.
- **Color Changing:** If using compatible smart E12 LED bulbs, press the color changing button to cycle through different color temperatures (e.g., warm, neutral, cool white).

Figure 4.3: Light Color Changing Function

4.3 Timer Function

- Press the timer buttons (e.g., 2H, 4H) to set the fan to automatically turn off after a specified duration.

5. Maintenance

Regular maintenance ensures optimal performance and longevity of your ceiling fan.

- **Cleaning:** Periodically wipe the fan and crystal lampshade with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- **Dusting:** Use a soft brush or vacuum cleaner with a brush attachment to remove dust from the fan blades and crystal elements.
- **Bulb Replacement:** Ensure power is off before replacing E12 bulbs. Allow bulbs to cool before handling.
- **Tighten Fasteners:** Check all screws and fasteners annually to ensure they are secure.

6. Troubleshooting

Refer to this section for common issues and their solutions.

Problem	Possible Cause	Solution
Fan does not operate.	No power supply; loose wiring; remote control battery low.	Check circuit breaker; ensure all wires are securely connected; replace remote control batteries.
Light does not turn on.	Bulbs are faulty or not installed; loose wiring; no power.	Ensure bulbs are correctly installed and functional; check wiring connections; verify power supply.
Light flickers when dimmed.	Incompatible wall dimmer switch; incompatible E12 LED bulbs.	Ensure your wall switch is a standard ON/OFF switch, not a dimmer, if using the fan's remote for dimming. Use only dimmable E12 LED bulbs compatible with the fan's remote control system.
Fan makes excessive noise.	Loose screws; unbalanced blades.	Check and tighten all mounting screws; ensure fan blades are securely attached.
Remote control not working.	Dead batteries; remote not paired.	Replace batteries; refer to remote pairing instructions (if applicable, usually automatic).

7. Specifications

Figure 7.1: Product Dimensions

Feature	Detail
Brand	Siljoy
Model Number	CFL-1152-02
Product Dimensions	19.7"L x 19.7"W x 8.3"H
Item Weight	13.7 Pounds
Material	Crystal, Metal
Installation Type	Flush Mount
Light Source Type	LED (E12 bulbs, not included)

Feature	Detail
Number of Light Sources	6
Voltage	110 Volts (AC)
Control Method	Remote Control
Special Features	Color Changing, Dimmable, 6 Fan Speeds, Reversible DC Motor
Noise Level	As low as 35dB
UPC	709544908666

8. Warranty and Support

Siljoy offers a **30-day free return and refund policy** and a **12-month warranty** on this ceiling fan with light.

- If you receive the product with any defects in workmanship or broken crystals, please contact us for replacements.
- For any other issues or inquiries, our customer support team aims to provide a satisfactory reply within 24 hours.
- Please retain your proof of purchase for warranty claims.
