Dpofirs Collapsible Foot Soak Tub Instruction Manual

Model: Dpofirsyfr1taggbc-12

1. Introduction

Welcome to your new Dpofirs Collapsible Foot Soak Tub. This product is designed to provide a relaxing and convenient foot soaking experience. Its foldable design allows for easy storage and portability, while the built-in massage function helps to relax muscles. Please read this manual carefully before use to ensure proper operation and maintenance of your foot tub.

2. Important Safety Information

To ensure safe operation and prevent injury or damage, please observe the following safety precautions:

- Do not use the foot tub if you have open wounds, skin infections, or any medical conditions that may be aggravated by foot soaking. Consult a physician if unsure.
- Always check the water temperature before placing your feet into the tub to prevent burns. The water should be comfortably warm, not hot.
- Keep the foot tub on a stable, flat surface to prevent tipping and spilling.
- Do not overfill the tub. Ensure the water level is below the rim to prevent splashing.
- Keep out of reach of children and pets. Adult supervision is required if children are using the tub.
- Do not stand in the tub. It is designed for seated use only.
- Clean the tub thoroughly after each use to maintain hygiene.

3. Package Contents

Verify that all items are present in the package:

- 1 x Dpofirs Collapsible Foot Soak Tub
- 1 x Cover Plate

4. Setup

Unfolding the Foot Soak Tub

1. Place the folded tub on a flat, stable surface.
2. Gently pull the top rim upwards while pressing down on the base until the tub fully expands and locks into its upright

position.

3. Extend the side pedals outwards from the base of the tub for added stability and comfort.

5. Operating Instructions

Filling the Tub

1. Ensure the tub is fully unfolded and stable.
2. Fill the tub with warm water to your desired level, ensuring it does not exceed the maximum fill line (if indicated) or the top rim.
3. Test the water temperature with your hand before immersing your feet.

Using the Massage Function

The base of the tub features integrated massage points. Gently rub your feet against these points to stimulate circulation and relax muscles during your soak.

Using the Lid and Pedal

- The included cover plate can be placed over the tub to help retain heat and prevent water splashing.
- The extended pedals provide additional support and stability for your feet during the soak.

6. Maintenance

Cleaning and Care

- After each use, empty the water from the tub.
- Rinse the tub thoroughly with clean water.
- Wipe the interior and exterior surfaces with a soft cloth and mild soap if necessary.
- Do not use abrasive cleaners or harsh chemicals, as these may damage the material.
- Allow the tub to air dry completely before folding and storing.

7. Storage

Folding and Storing the Tub

1. Ensure the tub is completely dry before folding.
2. Push the side pedals back into their recessed positions.

3. Gently press down on the top rim of the tub, allowing the flexible silicone sections to collapse inwards until the tub is fully folded flat.
4. Store the folded tub in a cool, dry place away from direct sunlight.

8. Troubleshooting

Problem	Solution
Tub does not unfold easily.	Ensure you are pulling the rim upwards while gently pressing the base. The silicone material may be stiff initially.
Tub feels unstable.	Ensure the tub is placed on a flat, level surface and that the side pedals are fully extended. Do not stand in the tub.
Water splashes out during use.	Do not overfill the tub. Use the provided cover plate to minimize splashing.
