Akejrym A888 LED Desk Lamp

INTRODUCTION

For anyone looking for a small, portable, and adaptable lighting solution, the Akejrym A888 LED Desk Lamp is a great option. This rechargeable lamp, which costs only **$9.99**, is made to be practical and convenient for your study, office, or home needs. The lamp's 21 LED beads provide strong, flicker-free light that shields your eyes while you work, read, or study. With its three programmable brightness levels and three color temperature modes (3000K–4500K–6500K), you can tailor the lighting to your space. Hours of cordless use are guaranteed by its 2000mAh rechargeable battery, and it is portable due to its lightweight and folding design. This desk lamp offers the greatest amount of lighting angle flexibility thanks to its 180° movable head and arm. The Akejrym A888 LED Desk Lamp blends cost, portability, and usefulness into a stylish design, making it ideal for use at your desk at work, by your bed, or on the go.

- **Fold After Use:** Collapse the lamp for neat, compact storage.
- **Recharge as Needed:** Plug in again once brightness begins to fade

CARE & MAINTENANCE

- **Regular Cleaning:** Wipe with a soft, dry cloth to keep dust away.
- **Avoid Harsh Products:** Do not use strong chemicals or abrasive cleaners.
- **Keep Dry:** Not waterproof—keep away from spills or damp areas.

- **Temperature Safety:** Protect from excessive heat, humidity, or freezing conditions.
- **Safe Storage:** Fold and store in a secure place when not in use.
- **Use Correct Cable:** Charge only with the provided or compatible USB cable.
- **Battery Care:** Avoid leaving plugged in for too long to extend battery life.
- **Handle with Care:** Do not drop or mishandle to prevent damage.
- **Protect from Sunlight:** Avoid direct sun exposure for long periods.
- **Battery Maintenance:** Recharge every few weeks if the lamp remains unused.
- **Check Folding Joints:** Ensure the hinges move smoothly and remain stable.
- **Replace Cable if Needed:** Swap out the USB cable if it shows wear or damage.
- **Avoid Excess Bending:** Do not force the arm beyond its rotation limits.
- **Do Not Disassemble:** Opening the lamp may damage internal components.
- **Keep Controls Clean:** Wipe the touch panel gently to maintain responsiveness.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Lamp won't turn on	Battery fully drained	Recharge for at least 2–3 hours.
Light flickering	Low battery	Recharge before use.
Dim light output	Brightness set low	Adjust to higher brightness level.
Battery drains quickly	High brightness usage	Use lower brightness mode.
Charging not working	Faulty cable or adapter	Replace cable/adapter and retry.
Touch control unresponsive	Dust or dirt on sensor	Clean touch panel with soft cloth.
Color modes not changing	Incorrect button press	Hold button to switch modes.

Problem	Possible Cause	Solution
Lamp not folding properly	Obstructed hinge	Check hinge and fold carefully.
Head not staying in place	Over-rotated joint	Adjust gently and avoid overbending.
Lamp overheating	Prolonged max brightness use	Lower brightness and allow cooldown.
USB port loose	Frequent cable stress	Handle cable gently, avoid pulling.
Light shuts off randomly	Battery protection mode triggered	Recharge or reset by holding button.
No charging indicator	Port or cable issue	Try different USB cable or adapter.
Light output too harsh	Wrong color temperature	Switch to warmer 3000K mode.
Battery not holding charge	Aging battery	Contact manufacturer for replacement.

PROS & CONS

Pros

- Affordable price at $9.99.
- Lightweight and ultra-portable.
- 3 brightness levels + 3 color modes.
- Foldable design saves space.
- USB rechargeable with 2000mAh battery.

Cons

- Not waterproof.
- Plastic body less durable than metal.
- Limited brightness for large rooms.
- Requires 5V-1A adapter (not included).
- Battery capacity may reduce over time.

WARRANTY

The **Akejrym A888 LED Desk Lamp** includes a **limited manufacturer's warranty** that covers defects in materials and workmanship. The warranty typically ensures protection against charging issues, faulty LEDs, or manufacturing flaws. However, it does not cover damages caused by misuse, water exposure, or unauthorized disassembly. Customers are advised to keep proof of purchase for warranty claims. For assistance, replacements, or troubleshooting support, buyers can contact Akejrym's customer service team. This warranty provides peace of mind for users, ensuring the product remains reliable and functional over time.

FREQUENTLY ASKED QUESTIONS

What is the Akejrym A888 LED Desk Lamp best used for?

The Akejrym A888 LED Desk Lamp is ideal for reading, studying, office work, or bedside use, offering a portable, rechargeable, and foldable design for convenience.

How many brightness levels does the Akejrym A888 LED Desk Lamp have?

It has 3 adjustable brightness levels, controlled by a touch-sensitive panel, allowing you to set the lighting to your preference.

What color temperatures are supported by the Akejrym A888 LED Desk Lamp?

The lamp offers 3 modes: warm light (3000K), natural light (4500K), and cool light (6500K), making it versatile for different environments.

What type of bulb does the Akejrym A888 LED Desk Lamp use?

It uses 21 built-in LED beads that provide flicker-free, eye-caring light.

How is the Akejrym A888 LED Desk Lamp powered?

The lamp is powered by a built-in 2000mAh rechargeable battery and can also be powered via USB using a 5V-1A adapter.

How long does the Akejrym A888 LED Desk Lamp battery last?

Depending on brightness settings, the rechargeable battery provides several hours of continuous lighting, suitable for portable use.

What should I do if the Akejrym A888 LED Desk Lamp does not charge?

Ensure you are using the original charging cable, plug it into a 5V-1A adapter, and check if the charging indicator lights up. Try another USB cable or adapter if charging still fails.
