2. What's in the Box

Please check the contents of your package carefully. If any items are missing or damaged, contact your retailer.

- METZ MQD7500Z 65-inch QLED 4K UHD Smart TV
- Power Adapter
- User Manual
- Remote Control
- TV Stand (if applicable) and Screws

3. Setup

3.1 Physical Setup

Carefully remove the TV from its packaging. If using the included stand, attach it securely to the TV using the provided screws. Ensure the TV is placed on a stable, level surface or mounted securely to a wall according to VESA standards (mounting hardware not included).

3.2 Connecting Peripherals

Connect your devices to the appropriate ports on the back of the TV. The METZ MQD7500Z offers a variety of connectivity options:

- **HDMI:** Connect Blu-ray players, game consoles, or set-top boxes. (3 ports)
- **USB:** For media playback from USB drives. (2 ports)
- **LAN (Ethernet):** For wired internet connection. (1 port)
- **AV In:** For older devices using composite video. (1 port)
- **DVB-S/S2:** Satellite antenna input. (1 port)
- **DVB-T/T2/C:** Terrestrial/Cable antenna input. (1 port)
- **CI Slot:** For Conditional Access Modules (CAM) for encrypted channels. (1 slot)
- **Headphone:** For connecting headphones. (1 port)
- **Digital Audio Out (Optical):** For connecting to soundbars or audio receivers. (1 port)

Image 3.2: Overview of connectivity ports on the METZ MQD7500Z TV.

3.3 Initial Power On and Configuration

After connecting all necessary cables, plug the power adapter into the TV and then into a wall outlet. Press the power button on the TV or remote control to turn it on. Follow the on-screen instructions for initial setup, which typically includes:

1. Language selection.
2. Network connection (Wi-Fi or Ethernet).
3. Google account sign-in (for Google TV features).
4. Channel scanning (for terrestrial, cable, or satellite broadcasts).

5. Accepting terms and conditions.

4. Operating Instructions

4.1 Remote Control Functions

The included remote control provides full command over your METZ Smart TV. It features quick access buttons for popular streaming services and voice control functionality.

4.2 Google TV Interface

Your METZ TV runs on Google TV, offering a personalized and intuitive interface. Navigate through content recommendations, apps, and live TV channels using the remote control's directional pad and OK button.

Image 4.2: Google TV home screen with content suggestions.

4.3 Voice Control

Utilize the integrated voice control feature by saying "Hey Google" or pressing the dedicated voice button on your remote. You can search for content, control playback, adjust settings, and get information hands-free.

5. Key Features

5.1 QLED Display Technology

The METZ MQD7500Z features QLED (Quantum Dot LED) technology, delivering stunning 4K Ultra HD resolution with a wide color spectrum and radiant colors. This results in vivid scenes, sharp details, and incredible contrast, enhanced by HDR 10 and Dolby Vision support.

Image 5.2: Dolby Vision enhances contrast and color accuracy.

5.2 Immersive Audio with Dolby Atmos

Experience powerful and immersive sound with Dolby Atmos and DTS Studio Sound. These audio technologies create a multi-dimensional soundstage, bringing you into the heart of the action, whether you're watching movies, sports, or playing games.

Image 5.3: Dolby Atmos provides a captivating audio experience.

5.3 Eye Care and Flicker-Free Technology

The METZ MQD7500Z is designed with your eye comfort in mind, featuring Flicker-Free technology. This reduces screen flickering, minimizing eye strain during long viewing sessions and providing a more comfortable visual experience, certified by TÜV Rheinland.

Image 5.4: Flicker-Free technology for enhanced visual comfort.

6. Maintenance

To ensure the longevity and optimal performance of your METZ Smart TV, follow these maintenance guidelines:

- **Cleaning the Screen:** Gently wipe the screen with a soft, lint-free cloth. For stubborn marks, slightly dampen the cloth with water or a specialized screen cleaner. Never spray liquid directly onto the screen.
- **Cleaning the Cabinet:** Use a soft, dry cloth to clean the TV cabinet. Avoid using abrasive cleaners or solvents.
- **Ventilation:** Ensure proper ventilation around the TV. Do not block the ventilation openings.
- **Power Cord:** Regularly check the power cord for any damage. If damaged, replace it immediately with an authorized part.
- **Remote Control:** Keep the remote control clean and dry. Replace batteries when necessary.

7. Troubleshooting

If you encounter any issues with your METZ Smart TV, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
No Power	Power cord disconnected; no power from outlet.	Check power cord connection; test outlet with another device.
No Picture/Sound	Incorrect input source; loose cable connection.	Verify input source; check HDMI/AV cable connections.
Poor Picture Quality	Low signal strength; incorrect display settings.	Check antenna/cable connection; adjust picture settings (brightness, contrast, color).
Voice Control Not Responding	Microphone blocked; network issue; software bug.	Ensure microphone is clear; check internet connection; restart TV. (Note: Some users have reported occasional voice control bugs, ensure software is updated.)
Remote Control Not Working	Dead batteries; obstruction.	Replace batteries; remove any obstructions between remote and TV.

If the problem persists after trying these solutions, please contact customer support.
