ELEMARA HZB-1228

ELEMARA Ride-On Car for Toddlers

Model: HZB-1228 Instruction Manual

1. Introduction and Important Safety Information

Thank you for choosing the ELEMARA HZB-1228 Ride-On Car. This manual provides essential instructions for assembly, operation, maintenance, and troubleshooting to ensure a safe and enjoyable experience for your child. Please read this manual thoroughly before initial use and retain it for future reference.

Safety Warnings:

- Adult supervision is required at all times when the vehicle is in use.
- Ensure the child wears appropriate safety gear, such as a helmet, when operating the vehicle.
- Do not operate the vehicle near streets, motor vehicles, steep inclines or steps, swimming pools, or other bodies of water.
- Always use the safety belt provided.
- The maximum weight capacity for this vehicle is 66 lbs (30 kg).
- Recommended age for use is 3-8 years.
- Keep away from naked flame or direct heat sources.

2. Package Contents

Please verify that all components are present before beginning assembly:

- Ride-on Car (main body) x 1
- Remote Control x 1
- Instruction Manual x 1
- Accessories (located inside the car's hood)

Note: To access accessories, press and hold the Toyota logo while opening the hood.

3. Assembly Instructions

Assembly of the ELEMARA HZB-1228 Ride-On Car requires adult supervision and basic tools (not included). Follow the detailed steps provided in the included manual. Ensure all parts are securely fastened before first use.

Figure 3.1: Assembled ELEMARA HZB-1228 Ride-On Car.

4. Battery Charging

The vehicle is powered by a 12V 7AH battery. Before first use, fully charge the battery for 8-12 hours. Subsequent charging typically takes 8-12 hours. A full charge provides approximately 80-120 minutes of continuous playtime, depending on usage conditions.

- Locate the charging port on the vehicle.
- Connect the charger to the charging port and then to a standard wall outlet.
- Do not overcharge the battery. Disconnect the charger once charging is complete.
- A low power reminder sound will indicate when the battery needs recharging.

Figure 4.1: Battery performance and charging indicators.

5. Operating the Vehicle

The ELEMARA HZB-1228 offers dual driving modes for flexibility and safety.

5.1 Child Manual Control

Children can operate the vehicle using the steering wheel and foot pedal. This mode offers 2 adjustable speeds.

- **Start:** Press the one-button start.
- **Acceleration:** Press the foot pedal.
- **Steering:** Use the steering wheel to change direction.
- **Speed Adjustment:** Use the in-car controls to select between the two available speeds.

5.2 Parental Remote Control

Parents can take control using the included remote control, which offers 3 adjustable speeds and is recommended for use within 25 meters.

- **Pairing:** Follow the remote control's specific pairing instructions (usually involves holding a button on the remote while the car is off, then turning the car on).
- **Movement:** Use the directional buttons to move the car forward, backward, left, and right.
- **Speed Adjustment:** Use the speed selection button on the remote to choose between the three available speeds.
- **Emergency Stop:** The remote control typically includes a stop button for immediate halting of the vehicle.

6. Key Features

6.1 DIY Building Blocks & Storage Area

The ride-on car features a dedicated space for DIY building blocks (blocks not included) and a convenient storage area. This allows children to personalize their vehicle and store small toys.

Figure 6.1: DIY building block space and storage compartment.

6.2 Premium Wheels for Various Surfaces

Equipped with high-quality tires, the ELEMARA HZB-1228 is designed for smooth rides on diverse surfaces, including lawns, asphalt, concrete roads, tile roads, and boardwalks.

6.3 Entertainment System

The vehicle includes Bluetooth connectivity, music playback, and story-telling functions for an enhanced driving experience.

- **Bluetooth:** Connect a compatible device to stream audio.
- **Music/Stories:** Use the built-in controls to access pre-loaded music or stories.

6.4 Safety Design Elements

The ELEMARA HZB-1228 incorporates several safety features:

- **Seat with Safety Belt:** Secure your child during operation.
- **Lockable Doors:** Provide added security.
- **Spring Suspension:** Enhances ride comfort and stability.

7. Care and Maintenance

- **Cleaning:** Wipe the vehicle with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- **Storage:** Store the vehicle in a dry, covered area away from direct sunlight and moisture. If storing for extended periods, ensure the battery is fully charged and recharge it every 30 days to prolong its lifespan.
- **Battery Care:** Always disconnect the battery when the vehicle is not in use for long periods. Do not allow the battery to fully discharge repeatedly.
- **Inspection:** Regularly check all nuts, bolts, and fasteners to ensure they are tight. Inspect wheels and tires for wear.

8. Troubleshooting

If you encounter issues with your ELEMARA HZB-1228 Ride-On Car, please refer to the following common solutions:

Problem	Possible Cause	Solution
Vehicle does not move	Low battery; Loose battery connection; Blown fuse; Motor issue	Charge battery; Check battery terminals; Replace fuse; Contact customer support
Remote control not working	Remote not paired; Dead remote batteries; Out of range	Re-pair remote; Replace remote batteries; Operate within 25m range
Vehicle runs slowly	Low battery; Overload; Operating on rough terrain	Charge battery; Reduce load; Operate on smoother surfaces
Unusual noises	Loose parts; Debris in wheels/motor	Inspect and tighten parts; Clear debris; Contact customer support if persistent

If the problem persists after attempting these solutions, please contact ELEMARA customer support.
