Assembly Instructions

1. **Preparation:** Unpack all building blocks and organize them by color or type as suggested in the manual. This will simplify the assembly process.
2. **Individual Flower Construction:** Each flower type (e.g., rose, lily, sunflower) has specific assembly steps. Refer to the dedicated sections in the manual for each flower. Carefully connect the pieces, ensuring they are securely fitted.
3. **Stem Assembly:** Construct the stems and leaves according to the instructions. The stems are designed to be adjustable in height, allowing for customization of your bouquet.

- **Disassembly:** If you wish to reassemble the bouquet into a different arrangement, carefully disassemble the blocks to avoid damage.

Troubleshooting

- **Pieces Not Connecting Securely:** Ensure that the blocks are aligned correctly and pressed firmly together. Some pieces may require a bit more pressure to snap into place. If a piece consistently fails to connect, check for any deformities or

excess material.

- **Missing Pieces:** Carefully check all packaging materials. If you believe a piece is genuinely missing, please contact customer support (see "Support" section).
