Customization Instruction

1. The key/lighting effects customization can be programmed with Akko Cloud Driver
2. The lighting effects can also achieve music rhythm effects with Akko Cloud Driver
3. Please download the Akko Cloud Driver on our website
4. Users can download the driver via en.akkogear.com

Akko Warranty and Service Statement

1. Akko provides One-Year warranty for customers in mainland China. For other regions, please contact your seller (Akko distributor) for specific warranty policy.
2. If the warranty window expires, customers need to pay for repairs. Akko will also provide instructions if users prefer to repair the keyboard by themselves.
   However, users shall take full responsibility for any loss happened during self-repair.
3. Dissembling the keyboard without manufacturer/seller's instruction will immediately void the warranty.
4. The return and warranty policy may vary in different platforms and are subject to the specific distributor at the time of purchase.
