Paladone 13130

Paladone PlayStation LED Neon Light

Model: 13130

Introduction

This manual provides instructions for the safe and proper use of your Paladone PlayStation LED Neon Light. Please read this manual thoroughly before installation and operation, and retain it for future reference.

Safety Information

To ensure safe operation, please observe the following precautions:

- This product is designed for **indoor use only**. Do not expose to water or high humidity.
- Keep the device away from direct sunlight, heat sources, and open flames.
- Do not attempt to disassemble, repair, or modify the light. This may cause damage or injury and will void the warranty.
- Ensure the USB power source is compatible with the device's power requirements.
- Keep out of reach of children. This is not a toy.
- Always unplug the device from the power source before cleaning or when not in use for extended periods.

Package Contents

Verify that all items are present in the package:

- 1 x PlayStation LED Neon Light Unit
- 1 x USB Power Cable

Setup

1. **Unpack the Device:** Carefully remove the LED Neon Light and all components from its packaging. Inspect for any damage.
2. **Choose a Location:** Select a suitable indoor location for your light. Ensure it is a dry area, away from water and direct heat.
3. **Mounting (Optional):** The light is designed for wall mounting. Use appropriate hardware (not included) to secure the light to a wall using the keyhole slots on the back. Alternatively, it can be placed on a flat surface.
4. **Connect Power:** Insert the small end of the provided USB power cable into the USB port on the back of the LED Neon Light. Plug the larger end of the USB cable into a compatible USB power adapter (e.g., phone charger, computer USB port) or a powered USB hub.

Operating Instructions

1. **Power On/Off:** Once connected to a power source, locate the in-line switch on the USB cable. Toggle the switch to the "ON" position to illuminate the light. Toggle to "OFF" to turn it off.
2. **Light Control:** The light features a multi-colored glow. Some models may include a touch control feature for additional settings. Refer to the product packaging for specific control options if available.

Maintenance

- **Cleaning:** Disconnect the light from the power source before cleaning. Use a soft, dry, or slightly damp cloth to wipe the surface. Do not use abrasive cleaners, solvents, or harsh chemicals.
- **Storage:** When not in use, store the light in a cool, dry place, away from direct sunlight and extreme temperatures.

Troubleshooting

Light does not turn on:

- Ensure the USB cable is securely connected to both the light and the power source.
- Verify that the power source (USB adapter/port) is functional and providing power.
- Check the in-line switch on the USB cable is in the "ON" position.

Light is flickering or dim:

- Ensure the USB power source provides sufficient power (e.g., not a low-power USB port).
- Try a different USB cable or power adapter.

Specifications

Model Number	13130
Brand	Paladone
Material Type	Plastic
Item Weight	300 Grams
Lamp Type	Wall Light
Shade Color	Multicolor
Switch Type	In Line
Light Source Type	LED
Power Source	Corded Electric (USB)
Mounting Type	Wall Mount / Tabletop
Wattage	2500 Milliwatts
Control Method	Touch (if applicable)
Water Resistance Level	Not Water Resistant
