DICTAC LB-04L

DICTAC Full Size Loft Bed with Desk and LED Lights - Instruction Manual

Model: **LB-04L**

Brand: **DICTAC**

Product Overview

This manual provides essential information for the assembly, operation, and maintenance of your DICTAC Full Size Loft Bed. Designed for space-saving and functionality, this loft bed features an integrated desk, LED lighting, and a charging station, making it an ideal solution for various living spaces.

Safety Information

Your safety is paramount. Please read and adhere to all safety guidelines before assembly and during use of the loft bed.

- **Guardrails:** The loft bed is equipped with a 13.11-inch heightened full-length safety guardrail to prevent accidental falls during sleep. Ensure the top of the mattress is at least 5 inches (127mm) below the top of the guardrail.
- **Anti-Tipping Device:** Utilize the provided metal anti-tipping nails to securely fasten the loft bed to the wall. This enhances stability and prevents accidental tipping.
- **Weight Capacity:** The maximum bearing capacity of the bed is 450 pounds. The integrated desk has a capacity of 200 pounds. Do not exceed these limits.
- **Slat System:** Closely spaced metal slats provide effective support for your mattress and prevent sagging. Ensure all slats

are firmly fixed using the buckle design to prevent noise and maintain structural integrity.

- **Assembly:** Follow all assembly instructions carefully. Do not use power tools for assembly unless specifically instructed, as this may overtighten fasteners and damage the frame.
- **Regular Checks:** Periodically check all bolts and connections to ensure they remain tight. Retighten as necessary.

Image: Close-up view of the loft bed's 12-inch full-length guardrail, indicating that the mattress top should be at least 5 inches below the guardrail for safety.

Parts List and Assembly

Before beginning assembly, ensure all components are present and undamaged. Refer to the detailed installation manual included in your package for step-by-step instructions and a complete parts list.

Included Components:

- Bed Frame and Guardrails
- Desk and Charging Station
- LED Lights
- Installation Manual
- Easy Assemble Tools

For detailed assembly, please follow the instructions provided in the physical manual. It contains diagrams and specific steps for each part of the bed's construction.

Operating Instructions

LED Lights Operation:

The DICTAC Loft Bed features vibrant RGB LED lights. These lights can be controlled via a dedicated APP or the included remote control.

- **Color Customization:** Choose from over 60,000 colors to set the desired ambiance.
- **Brightness Adjustment:** Adjust the brightness level to suit your preference.
- **Flashing Modes:** Select from various flashing modes for dynamic lighting effects.
- **Timing Function:** Set timers for the lights to turn on or off automatically.
- **Music Sync Mode:** The LED lights can change color and flashing mode in rhythm with music or sound, utilizing a sensitive microphone mode.

Charging Station Usage:

The integrated desk includes a convenient charging station for your electronic devices.

- **AC Outlets:** Two 125V/12A AC outlets are available for standard power plugs.
- **USB Ports:** Two 5V/2.1A USB ports are provided for charging mobile devices.
- **Power Cord:** The charging station is connected via a 5.2-foot power cord. Ensure it is plugged into a suitable wall outlet.

Storage Bags and Clothes Rail:

The loft bed comes with practical storage solutions to keep your space tidy.

- **Bedside Caddy:** Two bedside caddies are included, which can be hung on the guardrail. These are ideal for storing books, remotes, magazines, notebooks, pens, cellphones, water bottles, and snacks. They can be moved as needed.
- **Handy Clothes Rail:** A convenient rail is provided for hanging clothes, scarves, or other items, helping to keep your room organized.

Maintenance

Proper maintenance will extend the life and ensure the safety of your DICTAC Loft Bed.

- **Cleaning:** Wipe down the metal frame and desk surface with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Fastener Checks:** Regularly inspect all screws, bolts, and connections. Over time, these may loosen. Retighten them periodically to maintain the bed's stability and prevent squeaking.
- **Slat Inspection:** Ensure all metal slats remain securely in their buckle design. This prevents mattress sagging and maintains the bed's quiet operation.
- **LED Lights:** If the LED lights malfunction, check the power connection and ensure the remote control or APP is functioning correctly. Do not attempt to repair the LED strip yourself; contact customer support if issues persist.

Troubleshooting

If you encounter any issues with your DICTAC Loft Bed, refer to the common problems and solutions below. If the problem persists, please contact customer support.

Problem	Possible Cause	Solution
Bed feels wobbly or unstable.	Loose fasteners; Anti-tipping device not installed or secured.	Ensure all screws and bolts are tightened. Verify the anti-tipping device is correctly installed and secured to the wall.
Squeaking noises from the bed.	Loose slats or frame connections.	Check that all metal slats are properly seated in their buckle design. Retighten any loose frame connections.
LED lights not working.	Power disconnection; Remote control/APP issue; Damaged LED strip.	Verify the LED light power cable is securely plugged in. Check remote control batteries or APP connection. If still not working, contact customer support.
Charging station not providing power.	Power cord unplugged; Outlet issue.	Ensure the 5.2-foot power cord is fully plugged into a functional wall outlet. Test the wall outlet with another device.
Missing or damaged parts upon arrival.	Shipping damage or packing error.	Do not proceed with assembly. Contact DICTAC customer service immediately with your order details.

Specifications

Attribute	Detail
Model Number	LB-04L
Size	Full
Product Dimensions (L x W x H)	77.95" x 57.1" x 77.24"
Color	Black
Finish Type	Powder Coated
Item Weight	95.7 pounds
Compatible Mattress Size	Full
