NEWABWN Flowers Shop

NEWABWN Street View Flower House Shop Mini Building Blocks Instruction Manual

Model: Flowers Shop (810PCS)

Introduction

Welcome to the world of miniature construction with the NEWABWN Street View Flower House Shop Mini Building Blocks set. This 810-piece set allows you to construct a detailed and charming flower shop, featuring a cute panda motif and intricate design elements. Designed for ages 6 and up, this set provides an engaging and educational building experience, enhancing imagination and hand-eye coordination.

Safety Information

WARNING: Not suitable for children under 3 years due to small parts which may present a choking hazard.

- Keep all small parts away from young children.
- Ensure all pieces are securely connected during assembly to prevent accidental detachment.
- Dispose of packaging materials responsibly.

What's in the Box

Your NEWABWN Street View Flower House Shop Mini Building Blocks set includes:

- 810 Mini Building Block Pieces
- Detailed Color Instruction Manual
- Sticker Sheet for Decorative Details

Setup: Assembly Instructions

Follow the detailed color instruction manual provided in your kit for step-by-step assembly. The manual is designed to be clear and easy to follow, guiding you through each stage of construction.

General Assembly Tips:

- **Organize Pieces:** Before starting, sort your mini bricks by color and shape to make the building process

smoother.

- **Follow Instructions Carefully:** Pay close attention to the diagrams in the instruction manual. Each step builds upon the previous one.
- **Secure Connections:** Ensure each mini brick is firmly pressed into place. The small size requires precision.
- **Apply Stickers:** Use the provided stickers to add intricate details as indicated in the manual. Tweezers may be helpful for precise placement.

Understanding Mini Bricks:

This set uses mini bricks, which are approximately 25% smaller than standard building bricks. This allows for greater detail and a more compact final model.

Operating and Display

Once assembled, your Flower House Shop is ready for display. The model features a unique foldable design, allowing for different display configurations.

- **Standard Display:** Position the shop as a complete, multi-story building.

- **Open Display:** The structure can be unfolded to reveal interior details, allowing for interactive play or a wider display footprint.

This building kit is an exquisite collection piece, perfect for decorating your desk, office, or any room. Its detailed design makes it a captivating focal point.

Maintenance

To ensure the longevity and appearance of your building block set:

- **Cleaning:** Gently dust the model with a soft brush or cloth. Avoid using harsh chemicals or abrasive materials.
- **Storage:** If disassembling for storage, keep all pieces in a secure container to prevent loss. Store in a cool, dry place away from direct sunlight to prevent color fading.
- **Handling:** Handle the assembled model with care to avoid accidental detachment of small pieces.

Troubleshooting

While assembling, you might encounter minor issues. Here are some common troubleshooting tips:

- **Missing Pieces:** Double-check all packaging and sorting areas. If a piece is genuinely missing, contact customer support.
- **Difficulty Connecting Pieces:** Ensure pieces are correctly oriented and apply firm, even pressure. Some mini bricks may require a bit more force.
- **Unclear Instructions:** Review the previous steps and diagrams carefully. Sometimes a small detail can be overlooked. The provided video guide may also offer additional clarity.
- **Loose Connections:** If pieces feel loose, ensure they are fully seated. The high-quality ABS materials ensure a good fit when correctly assembled.

Specifications

- **Product Dimensions:** 3 x 5 x 4 inches
