HRVEOCEI MH-2585585

HRVEOCEI Manual Recliner Chair Instruction Manual

Model: MH-2585585

Introduction

Thank you for choosing the HRVEOCEI Manual Recliner Chair. This chair is designed for adults, featuring an adjustable backrest and an extender footrest for enhanced comfort. This manual provides essential information for the safe assembly, operation, maintenance, and care of your new recliner chair. Please read these instructions thoroughly before use and retain them for future reference.

Safety Information

- **Maximum Weight Capacity:** The recliner chair has a maximum weight capacity of**330 lbs (150 kg)**. Do not exceed this limit.
- Ensure the chair is fully assembled and all connections are secure before use to ensure stability and safe operation.
- Keep children and pets away from the moving parts of the recliner during operation to prevent injury.
- Avoid standing on the footrest or armrests.
- Do not place heavy objects on the recliner when it is in a reclined position.
- Use the recliner on a flat, stable surface.

Setup and Assembly

The HRVEOCEI Manual Recliner Chair requires assembly. Detailed, illustrated instructions and all necessary tools are included with the product packaging. Please follow these instructions carefully for quick and easy setup.

The recliner features a modern design, sturdy frame, and is designed for easy assembly.

Assembly Tips:

- Unpack all components and verify against the parts list provided in the assembly guide.
- Assemble the chair on a soft, clean surface to prevent damage to the fabric or floor.
- Do not fully tighten all screws until the entire chair is assembled, then tighten them securely.

Operating Instructions

Your HRVEOCEI Manual Recliner Chair offers adjustable comfort with its reclining and rocking functions.

Reclining Function:

To adjust the backrest and extend the footrest, locate the manual lever under the armrest. Pull the handle to release the locking mechanism and lean back to your desired position. The chair allows adjustment from 90° (upright) to 130° (fully reclined).

Pull the handle located on the side of the chair to engage the reclining mechanism.

The recliner adjusts to various positions, including upright (90°), relaxed (110°), and fully reclined (130°).

Rocker Function:

The chair also features a gentle rocking motion. This function is active when the chair is in its upright position and not locked into a reclined state. Simply lean back and forth to enjoy the rocking motion.

Experience a gentle rocking motion for relaxation.

Maintenance

Proper care will extend the life and appearance of your recliner chair.

Cleaning Instructions:

- **Spot Clean:** For minor spills or stains, immediately blot the affected area with a clean, dry cloth.
- **Wipe Clean:** Use a damp cloth with mild soap and water for general cleaning. Avoid harsh chemicals or abrasive cleaners, as these can damage the microfiber fabric.
- Allow the fabric to air dry completely before using the chair.
- Regularly vacuum the chair to remove dust and debris.

The high-quality microfiber fabric is soft, durable, and easy to maintain.

General Care:

- Periodically check all bolts and screws to ensure they remain tight. Retighten as necessary.
- Avoid exposing the chair to direct sunlight for prolonged periods to prevent fading.
- Keep the chair away from heat sources.

TROUBLESHOOTING

If you encounter any issues with your HRVEOCEI Manual Recliner Chair, please refer to the following common solutions:

- **Chair does not recline smoothly:** Check for any obstructions around the reclining mechanism or footrest. Ensure all assembly bolts are securely tightened.
- **Chair feels unstable:** Verify that the chair is placed on a level surface. Recheck all assembly connections and tighten any loose bolts.
- **Squeaking noises:** Apply a small amount of silicone lubricant to the moving metal parts of the reclining mechanism if squeaking occurs.

If these steps do not resolve the issue, please contact customer support for further assistance.
