20231109 L Shaped Computer Desk

Note: There is also a more detailed installation video on the product detail page on Amazon.

Subdivision diagram:

Please read the following instructions carefully:

1. Some parts of the computer desk have sharp edges, so please be attentive to avoid scratches when installing;
2. Due to the small size of the hardware, please put them in a safe position when installing them to avoid accidental;
3. In order to avoid giving you a bad installation experience, please follow the steps in the instruction manual to install and carefully distinguish screws and steel strips. If you have a helper, the installation will be certainly easier.
4. Allstand offers customers a free lifetime warranty. If you need help regarding product issues, after-sales service or other relevant problems, please contact us via the email provided on the cover.

INSTALLATION INSTRUCTIONS

Note: There is also a more detailed installation video on the product detail page on Amazon.
