Power

- Connect Apex to a power source with the included USB-C cable.
- Power Apex on by moving the power slider 1 up (LEDs on) or down (LEDs off).

Connection

- 1. Plug the 2.4GHz Reciever **2** into your computer then press the pairing button **4**. The green light beneath "2.4GHz" will light up to show Apex has connected.
 - Or
- 2. Press the pairing button 4 until the blue light appears under your chosen Bluetooth profile (BT1 or BT2). Hold the pairing button 4 until the blue light flashes, then select AMBT7K from your devices Bluetooth pairing menu.

Layout & Configuration

- 1. Left Click
- 2. Right Click
- 3. Scroll Wheel
- 4. Swap DPI* (1024, 2400, 3200, 6400)
- 5. Forward
- 6. Back
- 7. Volume Up/Down + Mute or Horizontal Scroll**

*DPI (Dots Per Inch) is a measure of how far your mouse moves across your screen for every inch of real-world movement. The presets can be changed via the Apex Control software. **To switch the function of the thumb wheel from Volume Up/Down & Mute to a horizontal scroll, press and hold the thumb wheel for five seconds.

Configuring shortcuts with Apex Control

The functionality of each button can be changed with our Apex Control software (available for Windows and macOS). Scan the QR code on the cover page to download the software, together with our Apex Mac and Windows presets and user guide, or head to alogic.co/ApexMac for Mac or alogic.co/ApexWin for Windows.

FCC

FCC Compliance Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- · this device may not cause harmful interference, and
- this device must accept any interference received, including interference that may cause undesired operation.

NOTE: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

EU Declaration of Conformity

Hereby, ALOGIC Corporation declares that this product is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address by clicking on the Compliance Documentation link: www.alogic.co
