2. Safety Information

- **Recommended Age:** This building toy is suitable for individuals aged 6 years and up.
- **Small Parts Warning:** The set contains small parts which may pose a choking hazard for children under 3 years of age. Adult supervision is recommended during assembly, especially with younger children.
- **Material:** The building blocks are made from high-quality, non-toxic ABS material, ensuring safety during play.
- **Handling:** Avoid throwing or forcefully impacting the assembled model to prevent damage or injury.

3. Package Contents

Before beginning assembly, please verify that all components are present. The package should contain:

- Approximately 322 building pieces.

- One (1) Instruction Manual (this document).

If any pieces are missing or damaged, please refer to the Troubleshooting section for assistance.

4. Assembly Instructions

Follow the step-by-step instructions provided in the separate printed manual included in your package. Each step will guide you through connecting the 322 building pieces to construct the Audrey II Piranha Plant model.

1. **Unpack:** Carefully open the package and lay out all the building pieces. It is recommended to sort pieces by color or type to facilitate assembly.
2. **Follow Manual:** Refer to the dedicated assembly manual for detailed, illustrated instructions for each building stage.
3. **Connect Pieces:** Ensure each piece is firmly connected to create a stable structure.
4. **Verify:** Double-check each step to ensure correct placement of pieces before proceeding.

5. Operating Instructions (Features)

Once assembled, your Bibilock Audrey II Piranha Plant model offers interactive features:

- **Rotating Head:** The plant's head is designed to rotate, allowing for various display angles.
- **Opening and Closing Mouth:** The mouth mechanism allows for manual opening and closing, simulating the classic monster feeding action. Gently manipulate the jaw to achieve the desired pose.

This model is primarily intended as a decorative piece and for imaginative play. Avoid excessive force when manipulating its parts.

6. Maintenance

- **Cleaning:** To clean the model, gently wipe it with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the plastic.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Disassembly:** If you need to disassemble the model, do so carefully to avoid breaking any connections.

7. Troubleshooting

- **Missing Pieces:** If you find any pieces missing upon opening the package, please contact Bibilock customer support with your purchase details.
- **Pieces Not Fitting:** Ensure you are using the correct pieces for each step as indicated in the assembly manual. Some connections may require a firm but gentle push. Avoid forcing pieces together, as this can cause damage.
- **Model Instability:** If the assembled model feels unstable, re-examine the connections in the base and main stem sections. Ensure all pieces are fully engaged.
