Eviva EVVN202-39GRN-WM

Eviva Haven 39 Inch Green Wall Mount Single Sink Bath Vanity Instruction Manual

Brand: Eviva | Model: EVVN202-39GRN-WM

Product Overview

The Eviva Haven 39 inch wall-mounted bathroom vanity features a modern design with rounded edges and a fluted front pattern. Constructed from real wood with a multi-stage green finish, this vanity includes a solid surface countertop with an integrated sink. Its wall-mounted design conserves space. The cabinet is equipped with side-hinged outward opening soft-closing doors and a fully extending soft-closing drawer. It arrives fully assembled for simplified installation.

Setup and Installation

This vanity is designed for wall-mount installation and comes pre-assembled. Professional installation is recommended for optimal safety and performance.

Required Tools (Not Included):

- Drill
- Level
- Measuring Tape
- Stud Finder
- Wrenches (for plumbing connections)
- Sealant/Caulk

Installation Steps:

1. **Unpack and Inspect:** Carefully remove all packaging materials. Inspect the vanity for any shipping damage. Ensure all components are present.
2. **Prepare Wall:** Locate wall studs using a stud finder. Mark the desired height for the vanity, ensuring it is level.
3. **Mounting Bracket Installation:** Securely attach the provided wall mounting bracket(s) to the wall studs using appropriate fasteners. Ensure the bracket is level and capable of supporting the vanity's weight.
4. **Plumbing Preparation:** Ensure water supply lines and drain pipes are correctly positioned for connection to the vanity's integrated sink. The vanity features a pre-drilled single-hole faucet mount (faucet not included).
5. **Mount Vanity:** Carefully lift the vanity and align it with the wall mounting bracket(s). Secure the vanity to the bracket(s) according to the specific hardware instructions.
6. **Connect Plumbing:** Connect the faucet (if installed) to the water supply lines. Connect the sink drain to the household drain pipe. Ensure all connections are tight and leak-free.
7. **Seal Edges:** Apply a bead of silicone sealant along the top and side edges where the vanity meets the wall to prevent water infiltration.

Operating Instructions

The Eviva Haven vanity is designed for straightforward use with its integrated sink and storage features.

Doors and Drawer:

- The vanity features side-hinged outward opening doors. Gently pull the integrated handles to open.
- The doors are equipped with soft-closing mechanisms. Push the doors gently to close, and they will retract smoothly.
- The single drawer is fully extending and also features a soft-closing mechanism. Pull the integrated handle to open and push gently to close.

Maintenance and Care

Proper care will ensure the longevity and appearance of your Eviva Haven vanity.

Solid Surface Top and Integrated Sink:

- The solid surface top is stain-resistant and low-maintenance.
- Clean regularly with a soft cloth and mild, non-abrasive cleaner.
- Avoid harsh chemicals, abrasive scrubbers, or strong solvents, as these can damage the surface.
- Wipe up spills promptly to prevent potential staining, although the material is highly resistant.

Wood Cabinet Finish:

- Clean the wood surfaces with a soft, damp cloth.
- Avoid excessive moisture. Wipe dry immediately after cleaning.

- Do not use abrasive cleaners, ammonia-based products, or silicone-based polishes, as these can harm the finish.
- Protect the wood from direct sunlight and extreme temperature changes.

Troubleshooting

This section addresses common issues you might encounter with your vanity.

- **Leaking Faucet/Drain:** Check all plumbing connections for tightness. Ensure thread sealant or plumber's tape was used correctly. If leaks persist, consult a professional plumber.
- **Doors/Drawer Not Closing Smoothly:** Verify that nothing is obstructing the soft-close mechanisms or the drawer slides. Check for any debris in the tracks. If necessary, consult the manufacturer's guide for adjusting hinges or drawer slides.
- **Water Stains on Wood:** Wipe up any water spills on wood surfaces immediately. For existing watermarks, consult a professional furniture restorer or use appropriate wood care products designed for water stain removal.
- **Surface Scratches:** Minor scratches on the solid surface top may be buffed out with fine-grit sandpaper and a polishing compound, following manufacturer guidelines for solid surface repair. For deep scratches or damage, professional repair

may be required.

Specifications

Feature	Detail
Brand	Eviva
Model Number	EVVN202-39GRN-WM
