⚠️ **WARNING**

This symbol means important instructions. Failure to follow them can result in serious injury or death.

DO NOT DISASSEMBLE OR ALTER.
Doing so may result in an accident, fire or electric shock.

KEEP SMALL OBJECTS SUCH AS BATTERIES OUT OF THE REACH OF CHILDREN.
Swallowing them may result in serious injury. If swallowed, consult a physician immediately.

DO NOT OPERATE ANY FUNCTION THAT TAKES YOUR ATTENTION AWAY FROM SAFELY DRIVING YOUR VEHICLE.
Any function that requires your prolonged attention should only be performed after coming to a complete stop. Always stop the vehicle in a safe location before performing these functions. Failure to do so may result in an accident.

KEEP THE VOLUME AT A LEVEL WHERE YOU CAN STILL HEAR OUTSIDE NOISE WHILE DRIVING.
Failure to do so may result in an accident.

Do not ingest battery, Chemical Burn Hazard.
The remote commander contains a coin/ button cell battery. If the coin/ button cell battery is swallowed, it can cause severe internal burns in just 2 hours and can lead to death. Keep new and used batteries away from children. If the battery compartment does not close securely, stop using the product and keep it away from children. If you think batteries may have been swallowed or placed inside any part of the body, seek immediate medical attention.

⚠️ **CAUTION**

This symbol means important instructions. Failure to follow them can result in injury or material property damage.

DO NOT MIX NEW BATTERIES WITH OLD BATTERIES. INSERT WITH THE CORRECT BATTERY POLARITY.

Risk of explosion if battery is replaced by an incorrect type. Dispose of used batteries according to the instructions. When inserting the batteries, be sure to observe proper polarity (+ and) as instructed.

Handling Precautions

Do not drop or apply shock to the unit. It may get permanently damaged.
Keep the unit away from water and moisture, direct sun and heat, and excessive dust.
Never use scouring pads, steel wool, abrasive powders or harsh chemical agents, such as lye solution, for cleaning.
Clean with a soft, lint-free cloth or cotton swab slightly dampened with a mild solution of detergent and water.
Do not operate this unit in a manner that could distract you from driving safely.

Installation of Remote Control Holder

Do not leave the remote control mounted on the holder, if it is direct sunlight. Remove the remote control from the holder and put it in the glove compartment.
If double-sided adhesive tape cannot install the holder securely, use screws.
When mounted to the Display Audio, do not press the unit hard to operate it. The Display Audio may be damaged.
