VEVOR ATV Rear Storage Bag (60L)

INSTRUCTION MANUAL

Introduction

This manual provides detailed instructions for the proper setup, operation, and maintenance of your VEVOR 60L ATV Rear Storage Bag. Please read this manual thoroughly before use to ensure safe and effective handling of the product. Keep this manual for future reference.

Safety Information

- Ensure the bag is securely fastened to your ATV's rear rack before operation. Loose bags can shift during travel and cause instability.
- Do not overload the bag. Adhere to the recommended weight capacity of your ATV's rack system.
- Distribute weight evenly within the bag to maintain vehicle balance.
- Regularly inspect all straps and buckles for wear or damage. Replace any compromised components immediately.
- Keep sharp objects away from the fabric to prevent tears.

Package Contents

- 1 x VEVOR ATV Rear Storage Bag (60L)
- 1 x Waterproof Cover
- 2 x Single Dividers
- 2 x Multiple Dividers
- 1 x Instruction Manual

Product Overview and Features

The VEVOR 60L ATV Rear Storage Bag is designed to provide ample storage and a comfortable backrest for your ATV, UTV, or Can-Am vehicle. Constructed from durable 600D Oxford cloth, it offers resistance to dust, wear, and tears, ensuring your belongings are protected during outdoor adventures.

Figure 1: VEVOR ATV Rear Storage Bag with integrated storage and backrest design.

- **60L Large Capacity:** Offers significant space for helmets, gloves, tools, and other essentials.
- **Integrated Backrest:** Provides comfort and back support for passengers during long rides.
- **Durable Construction:** Made from high-quality 600D Oxford cloth, ensuring dustproof, wear-resistant, and tear-resistant properties.
- **User-Friendly Design:** Features elastic cords on top for securing additional items and bottle holder pockets for quick access to beverages.
- **Waterproof Cover:** Includes a 210 Oxford cloth waterproof cover for enhanced protection against the elements.
- **Universal Compatibility:** Designed to fit most ATVs, UTVs, and Can-Am vehicles with rear racks.

Setup Instructions

Follow these steps to properly install your VEVOR ATV Rear Storage Bag:

1. **Prepare the ATV:** Ensure your ATV's rear rack is clean and free from obstructions.
2. **Position the Bag:** Place the ATV Rear Storage Bag onto the rear rack, aligning it centrally.
3. **Secure the Straps:** Utilize the equipped straps to fix the cargo storage bag to the ATV's rear rack. Thread the straps through the rack and secure them tightly using the buckles. Ensure there is no slack.
4. **Check Stability:** Once all straps are fastened, gently tug on the bag in various directions to confirm it is securely attached and does not shift.
5. **Adjust Backrest (if applicable):** If the bag includes a foldable backrest, ensure it is positioned correctly for passenger comfort and secured if not in use.

Operating Instructions

The VEVOR ATV Rear Storage Bag is designed for versatile use. Here's how to utilize its features:

- **Main Compartment:** Unzip the main compartment to access the spacious 60L interior. Use the included single and multiple dividers to organize your items efficiently.
- **Side Pockets:** Utilize the various side pockets for smaller items that require quick access, such as maps, snacks, or small tools.
- **Elastic Cords:** The crisscrossed elastic cords on the top of the side gear bags are ideal for securing items like tents, jackets, or other gear that needs to be held externally.
- **Bottle Holder Pockets:** Place water bottles or other beverages in the dedicated bottle holder pockets for easy retrieval during your ride.
- **Backrest Functionality:** The supportive backrest can be used to enhance passenger comfort during extended periods of travel.
- **Waterproof Cover:** In case of rain or wet conditions, deploy the included 210 Oxford cloth waterproof cover over the entire bag to protect your contents.

Maintenance

Proper maintenance will extend the life and performance of your VEVOR ATV Rear Storage Bag:

- **Cleaning:** For general cleaning, wipe the exterior with a damp cloth and mild soap. Avoid harsh chemicals or

abrasive cleaners that could damage the 600D Oxford cloth material.

- **Drying:** Allow the bag to air dry completely before storing to prevent mildew or odors. Do not machine wash or tumble dry.
- **Storage:** When not in use, store the bag in a cool, dry place away from direct sunlight to prevent material degradation.
- **Waterproof Cover Care:** Clean the waterproof cover separately with a damp cloth. Ensure it is dry before folding and storing.
- **Inspection:** Periodically check zippers, seams, straps, and buckles for any signs of wear, fraying, or damage. Address any issues promptly to maintain functionality and safety.

Troubleshooting

Most issues with the VEVOR ATV Rear Storage Bag can be resolved with simple adjustments:

- **Bag feels unstable:** Re-check all mounting straps to ensure they are tightened securely and evenly distributed. Adjust the load inside the bag to balance weight.
- **Zippers are stiff:** Apply a small amount of zipper lubricant or wax to the zipper teeth to improve smooth operation.
- **Water leakage:** Ensure the waterproof cover is correctly installed and fully covers the bag. Check the cover for any tears or punctures.

Specifications

Feature	Detail
Item Model Number	NMDS4
