Aroepurt CPT11

User Manual: Aroepurt Phone Case Cover CPT11

Model: CPT11

Product Overview

The Aroepurt Phone Case Cover CPT11 is designed to provide comprehensive protection and enhanced functionality for your Foxx FOXXD A67L phone. This case features a durable PU leather construction, integrated card slots, a magnetic closure, and a versatile kickstand. It also includes a tempered glass screen protector for additional display safeguarding.

Image: Overview of the Aroepurt Phone Case Cover CPT11, highlighting its design and various functionalities including the wallet feature and kickstand.

Key Features:

- **Integrated Kickstand:** Allows for hands-free viewing, ideal for watching videos or reading.
- **Durable PU Leather:** High-quality material providing a comfortable feel and long-lasting protection.
- **Card Slots:** Conveniently store essential cards and cash.
- **Magnetic Closure:** Securely keeps the case closed, protecting your phone and contents.
- **Tempered Glass Screen Protector:** Offers robust protection against scratches and impacts for your phone's display.
- **Fine Stitch Edge Sealing:** Enhances durability and aesthetic appeal.

What's in the Box

- 1 x Aroepurt Phone Case Cover CPT11
- 1 x Tempered Glass Screen Protector

Setup and Installation

Installing the Phone Case:

1. Ensure your Foxx FOXXD A67L phone is clean and free of dust or debris.
2. Gently align your phone with the silicone inner shell of the case.
3. Press the phone firmly into the case, ensuring all corners and edges are securely seated.
4. Verify that all ports, buttons, and camera lenses are accessible and unobstructed.

Installing the Tempered Glass Screen Protector:

Proper installation of the screen protector is crucial for optimal protection and touch sensitivity. Please follow these steps carefully:

1. **Clean the Screen:** Use a microfiber cloth to thoroughly clean your phone's screen. Ensure there are no dust particles, smudges, or fingerprints.
2. **Align the Protector:** Carefully peel off the protective film from the adhesive side of the tempered glass. Align the screen protector with your phone's screen, paying attention to the cutouts for the speaker, camera, and home button (if applicable).
3. **Apply:** Once aligned, gently lower the screen protector onto the phone's screen. It will naturally adhere.
4. **Remove Bubbles:** If any air bubbles appear, gently push them towards the edges of the screen using a soft cloth or a credit card wrapped in a cloth.

Operating Instructions

Using the Kickstand Feature:

The case is designed with a built-in kickstand for convenient hands-free viewing. To activate the kickstand, simply fold the back cover of the case outwards until it forms a stable triangular support for your phone. This allows you to position your phone horizontally for optimal viewing angles.

Image: Demonstration of the kickstand feature, providing adjustable viewing angles for media consumption.

Utilizing Card Storage:

The inner flap of the case features dedicated slots for storing credit cards, ID cards, or small amounts of cash. Gently slide your cards into the designated slots. The design allows for secure storage while maintaining a slim profile.

Image: Close-up of the card storage feature, illustrating how cards can be securely placed within the case.

Magnetic Closure:

The case incorporates a magnetic closure to keep the front flap securely shut when not in use. This helps protect your phone's screen and contents from accidental exposure. Simply close the front flap, and the magnets will engage to hold it in place.

Maintenance and Care

To ensure the longevity and appearance of your Aroepurt Phone Case Cover, follow these simple care instructions:

- **Cleaning the Case:** Wipe the PU leather surface with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive water, as these can damage the material.
- **Cleaning the Screen Protector:** Use a clean, lint-free microfiber cloth to gently wipe the screen protector. For stubborn smudges, a small amount of screen cleaner designed for electronics can be applied to the cloth (not directly to the screen).
- **Avoid Extreme Conditions:** Do not expose the case to extreme temperatures, direct sunlight for prolonged periods, or sharp objects, which can cause damage or discoloration.

Troubleshooting

- **Case Not Closing Properly:** Ensure no foreign objects (e.g., thick cards, excessive cash) are obstructing the magnetic closure. Remove any unnecessary items from the card slots if the case struggles to close.
- **Screen Protector Bubbles:** If new bubbles appear after installation, try gently pushing them towards the nearest edge with a soft cloth. Small bubbles may dissipate over 24-48 hours.
- **Phone Not Fitting Securely:** Double-check that you have the correct model phone (Foxx FOXXD A67L) for this case. Ensure the phone is properly aligned and pressed firmly into the silicone inner shell.

Specifications

Product Name	Aroepurt Phone Case Cover
