DERCASS N709P21818

DERCASS Floor Bed with Fence - Twin Instruction Manual

Model: N709P21818

Brand: DERCASS

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your DERCASS Twin Floor Bed with Fence. Designed with a clean silhouette and elegant finish, this wood platform bed frame is suitable for any child's bedroom. The low-to-the-ground design and integrated fence guardrails offer security and a unique aesthetic. No box spring is required for this bed frame.

SIZE: INCH

Safety Information

- Always ensure all screws and fasteners are securely tightened before use. Periodically check for loose connections.
- Do not allow children to hang or climb on the bed rails.
- Keep small parts and assembly hardware away from children during assembly to prevent choking hazards.
- Exercise caution around sharp edges during assembly and use.
- Ensure the bed is placed on a flat, stable surface.

Package Contents

Verify that all components listed below are present before beginning assembly. If any parts are missing or damaged, please contact DERCASS customer support.

- Bed Frame components

- Fence panels
- Guardrails
- Hardware (screws, bolts, connectors)
- Installation Manual (this document)

Setup and Assembly

Your DERCASS Floor Bed is designed for easy assembly. All necessary parts, tools, and instructions are included in one efficiently packed box. We recommend having a drill available for quicker and more secure fastening, though a screwdriver is provided.

Assembly Video Guide

Video: Meulbaty Toddler Floor Bed Installation. This video provides a visual step-by-step guide for assembling a similar toddler floor bed, demonstrating the process of connecting panels, installing hardware, and securing the bed slats.

General Assembly Steps:

1. **Unpack and Identify Parts:** Lay out all components and hardware. Refer to the included parts list to ensure everything is present.
2. **Assemble Side Panels:** Connect the long side panels using the provided hardware. Ensure they are aligned correctly.
3. **Attach End Panels:** Secure the headboard and footboard panels to the assembled side panels.
4. **Install Bed Slats:** Place and secure the wooden bed slats across the frame. These provide mattress support.
5. **Attach Fence/Guardrails:** Install the fence guardrails as per the diagram. The rounded corners are designed to prevent bumps.
6. **Secure the Gate (if applicable):** If your model includes a movable gate, attach the hinges and latch mechanism.
7. **Final Tightening:** Double-check all screws and bolts to ensure they are fully tightened for stability and safety.

Product Features Overview

Video: Twin Toddler Floor Bed with High Rails. This video highlights the design and features of a twin toddler floor bed, including the high rails and overall structure, providing a good visual reference for the DERCASS model.

Operating Instructions

The DERCASS Floor Bed is designed for simple use. Once assembled, place a standard twin-sized mattress directly onto the bed slats. No box spring is needed. The integrated fence guardrails provide a secure sleeping environment. If your model includes a movable gate, it can be opened and closed using the latch mechanism for easy access.

Maintenance

- **Cleaning:** Wipe the bed frame with a dry cloth to remove dust and dirt. Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish.

- **Inspections:** Periodically inspect all connections and hardware to ensure they remain tight. Tighten any loose screws or bolts as needed.
- **Wood Care:** To maintain the wood's integrity, avoid prolonged exposure to direct sunlight or extreme temperature changes.

Troubleshooting

- **Bed feels wobbly:** Check all assembly hardware to ensure every screw and bolt is fully tightened.
- **Parts do not align:** Review the assembly instructions carefully. Sometimes parts may be oriented incorrectly. Disassemble the affected section and re-align.
- **Missing hardware:** Refer to the package contents list. If parts are genuinely missing, contact DERCASS customer support for replacements.

Specifications

Feature	Detail
Model Number	N709P21818
Size	Twin
Product Dimensions	76.9"L x 41.1"W x 23.8"H
Material	Pine Wood + MDF
Color	White
Weight	50 pounds
Special Features	Fence, Guardrails, No Box Spring Needed
