HiWEEGO HG1051

HiWEEGO City Garbage Truck Building Set (Model HG1051)

3-in-1 Recycling Station Building Block Vehicle Toy

1. Introduction

Thank you for choosing the HiWEEGO City Garbage Truck Building Set. This 811-piece set offers three distinct building models: a City Garbage Truck, a Loading Truck, and a Newspaper Store. Designed to inspire creativity and understanding of urban services, this manual provides detailed instructions for assembly, operation, and care.

2. Safety Information

- **WARNING: CHOKING HAZARD** - Small parts. Not for children under 3 years.
- Adult supervision is recommended during assembly and play.
- Keep all packaging materials away from children.

3. Package Contents

Before beginning assembly, please verify that all components are present:

- 811 Building Blocks (sorted into numbered bags)
- 1 Instruction Manual
- Sticker Sheet for detailing

4. Setup and Assembly

This building set allows for the construction of three different models. Follow the step-by-step instructions provided in the included manual for your chosen model. It is recommended to sort the pieces by color and type before starting to facilitate the building process.

4.1. General Assembly Tips

- Ensure a clean, flat surface for building.
- Carefully open numbered bags as indicated in the instruction manual for the specific model you are building.
- Apply stickers precisely for enhanced realism.
- Some connections may require firm pressure to ensure pieces are securely joined.

4.2. Model A: City Garbage Truck

Follow the dedicated section in the instruction manual to construct the City Garbage Truck. This model features an operable mechanical arm, compression function, and rear dumping mechanism.

4.3. Model B: Loading Truck

Refer to the instruction manual for steps to build the Loading Truck. This model includes a truck with a base for stacking garbage and a separate recycling station.

4.4. Model C: Newspaper Store

Consult the instruction manual for assembly of the Newspaper Store. This model features an independent store structure and a delivery van.

5. Operating Instructions

5.1. City Garbage Truck Operations

- **Collecting Garbage:** Use the operable mechanical arm on the side of the truck to lift and empty the included trash sorting bins into the vehicle.
- **Compacting:** Utilize the built-in gears to control the loading arm, pushing collected garbage into the truck's second compartment for compression.

- **Dumping:** Open the rear door and tilt the truck bed to unload the compacted garbage.

5.2. Play Scenarios

- **Recycling Truck:** Simulate sanitation workers collecting and sorting waste with the three provided bins.
- **Loading Truck:** Transport materials or other building blocks using the truck's loading base.
- **Newspaper Store:** Engage in role-play as a newspaper delivery person or a shop owner.

6. Maintenance

- **Cleaning:** Wipe blocks with a dry or slightly damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the building blocks and assembled models in a cool, dry place away from direct sunlight to prevent discoloration or damage.

7. Troubleshooting

- **Missing Pieces:** In the rare event of missing pieces, please contact customer support with your product model number and a description of the missing part.
- **Difficulty Connecting Pieces:** Ensure pieces are correctly oriented and apply firm, even pressure. If a piece is consistently difficult to connect, check for any manufacturing defects.
- **Model Instability:** Double-check all connections according to the instruction manual. Loose connections can lead to instability.
